ADDITIONAL CONSULTATION RESPONSES RECEIVED

NATURAL ENGLAND (NE) – No objection

Following additional information, Natural England has confirmed that subject to mitigation in the form of a Construction Environmental Management Plan and advisory homeowner packs, the development would not have an adverse effect on the Wyre Estuary SSSI and Morecambe Bay Special Protection Area.

Officer Response: Conditions have already been recommended to secure these aspects. On this basis, the application is acceptable in terms of impact on protected sites.

POLICY UPDATE

EMERGING LOCAL PLAN PARTIAL UPDATE

A Publication version of the Wyre Local Plan Partial Update underwent a public consultation between 30 November 2021 and 18 January 2022. The Submission draft was approved for submission to the Secretary of State for examination on 15 April 2022 and approved for Development Management purposes. The Inspector appointed to carry out the examination held hearing sessions in September 2022 into the Partial Review. Public consultation on the Main Modifications was held between 15 October and 23 November 2022. The Inspector's final report on the Partial Update was issued on 21 December 2022, it concluded, that subject to the Main Modifications recommended in his report, the Local Plan Partial Update is legally compliant and sound. Although the draft Local Plan as proposed to be modified does not have the full weight of an adopted Local Plan, it has reached an advanced post hearing stage in the local plan process and is supported by a comprehensive and robust evidence base. Development plan policies contained within the draft Partial Update as proposed to be amended in response to the Inspector's Final Report will therefore be given significant weight in determining planning applications

The following policies contained within the emerging Partial Update are of most relevance:

- SP1 - Development Strategy
- HP1 - Housing Land Supply
- HP3 - Affordable Housing

Officer Response: This update on the Local Plan Partial Update does not have any implications or affect the assessment of this application as set out within the Case Officers report
