Replacing our core IT network infrastructure

The Corporate Director Communities submitted a report seeking approval for the purchase of replacement server network connectivity technologies so that the council's IT infrastructure was modern, future-proof and flexible.

Decisions

The portfolio holder gave approval to proceed with the purchase of the replacement core server networking infrastructure and agreed that the scheme, costing £249,257 be added to the council's Capital Programme for 2020/21 funded from the IT Reserve.

Date of Publication: Thursday, 25 June 2020

What were the reasons for the recommendation and any other options were considered and rejected?

Full details of the reasons for the recommendation and any alternative options that were considered but rejected, are included in the full reports.

When will these decisions be implemented?

All decisions will be put into effect five working days from the date of publication, unless a decision is "called-in" by any three members of the council within that period. The "call-in" procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 17 of the Overview and Scrutiny Procedure Rules).

If a decision is "called-in", the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask the Portfolio Holder to reconsider the decision.
