Fly-Tipping Intervention Grant

The Assistant Director of Environmental Services submitted a report to seek approval to accept funding from the Fly-Tipping Intervention Grant scheme to cover the capital costs associated with the installation of CCTV equipment along Jameson Road, Fleetwood (to influence behaviour and deter fly tippers along this fly-tipping hot spot), and to add the scheme to the Council's Capital Programme for 2024/25.

Decisions

The Street Scene, Parks & Open Spaces Portfolio Holder and the Resources Portfolio Holder **agreed**:

- That approval is given to accept the £48,000 funding from the Fly-tipping Intervention Grant scheme to cover the capital costs associated with the installation of CCTV equipment along Jameson Road, Fleetwood, to influence behaviour and deter fly tippers, raise awareness, and assist with the successful prosecution of perpetrators where anti-social behaviour persists.
- That purchase and installation of CCTV equipment is added to the council's 2024/25 Capital Programme, at a cost of £48,000, and funded by the Fly-tipping Intervention Grant.
- That approval is given to vary the current contract with BT Telecommunications PLC under the exemption to Financial Regulations:

'The goods, works or services constitute an extension or variation of an existing contract, or are required urgently, or the goods/materials, works or services consist of repairs to, or the supply of parts for, existing proprietary plant or equipment". The variation will include the purchase and installation of CCTV equipment as detailed in the report and a signed variation form will be completed by both parties, signed in accordance with the contract once approval has been granted.

- That approval is given to collaborate with key stakeholders (including Lancashire County Council (LCC), United Utilities and local landowners) on this project.

- That the council will act as lead project manager to oversee the project, administer the funding including procurement of equipment and to coordinate and submit the monitoring and evaluation report in accordance with the grant funding conditions.

Date of Publication: Tuesday, 9 July 2024

What were the reasons for the recommendation and any other options were considered and rejected?

Full details of the reasons for the recommendation and any alternative options that were considered but rejected, are included in the full reports.

When will these decisions be implemented?

All decisions will be put into effect five working days from the date of publication, unless a decision is “called-in” by any four members of the council within that period. The “call-in” procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 17 of the Overview and Scrutiny Procedure Rules).

If a decision is “called-in”, the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask the Portfolio Holder to reconsider the decision.
