### **Procurement of the GovDelivery Communications Cloud**

On 11 January 2018 the Corporate Director Performance and Innovation submitted a report seeking the Resources Portfolio Holder's approval for the joint procurement of the GovDelivery Communications Cloud software provided by Granicus with Fylde Council.

### **Decision taken**

The Resources Portfolio Holder gave his approval to proceed with the joint procurement of the Granicus GovDelivery Communications Cloud platform with Fylde Council and agreed that the Granicus GovDelivery Communication Cloud platform be procured using GCloud under the following exemption to Contract Procedures: "if a framework agreement is available that necessitates the Council not having to go out to tender and the goods, works and services will still provide the Council with best value for money".

### **What were the reasons for the recommendation and any other options were considered and rejected?**

Full details of the reasons for the recommendation and any alternative options that were considered but rejected, are included in the full reports.

### **When will these decisions be implemented?**

All decisions will be put into effect five working days from the date of publication, unless a decision is "called-in" by any four members of the council within that period. The "call-in" procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 17 of the Overview and Scrutiny Procedure Rules).

If a decision is "called-in", the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask the Portfolio Holder to reconsider the decision.
