4 Confirmation of minutes

The minutes of the Licensing Committee meeting held on 23 February 2017, were confirmed as a correct record.

5 Application for a new premises licence for Valiants, Lancaster Road, Out Rawcliffe

The Service Director Health and Wellbeing submitted a report to provide members of the Licensing Committee with information to assist them at a hearing to determine an application for a new premises licence under the Licensing Act 2003, for Valiants, Lancaster Road, Out Rawcliffe, PR3 6BL. The application was limited to **two dates, in 2017**.

Present at the meeting were: - The applicant – Mr Wallace. The Applicant's legal representatives- Ms McNeill (Counsel) and his Solicitor - Mr Edwards. Three members of the public were also present to speak as objectors to the application.

It was confirmed that everyone present had received the Agenda and documentation upon which the Applicant intended to rely.

Ms McNeill then addressed the committee and outlined the application in more detail, explaining the reasons for the new premises licence. She informed the committee that the applicant had tried to meet the concerns of the local residents and the conditions had been agreed with the Police and the Environmental Health Officer. This application was then withdrawn and a revised application was submitted for just two events to take place during 2017.

As the report described, the application had been correctly advertised on the premises and in the newspaper, as required and during the 28 day representation period, four representations were received from residents stating a number of concerns. The Committee asked that two new conditions

were added to those already agreed which are outlined below and which were accepted by the Applicant.

Three members of the public spoke of their concerns and objections to the application and committee members listened and then asked questions of all present.

Members then retired to consider the application in closed session. The Licensing Committee then reconvened and the Chairman announced the Committee's decision.

RESOLVED that

A new premises licence for Valiants, Lancaster Road, Out Rawcliffe, PR3 6BL, be granted on the basis set out in the decision below. The committee noted that conditions had been requested by the Police and agreed by the applicant, in addition to those volunteered on the application. Members also determined that two additional conditions should be applied to the licence, those being:-

1. Temporary toilet facilities will be located in the covered area of the premises as marked on the plan of the premises at Annex 4. and
2. Mobile catering facilities will be located in the covered area of the premises as marked on the plan of the premises at Annex 4

Reasons for Decision taken:-

- The Committee noted the objections from local residents but were satisfied that a grant of a new premises licence subject to the conditions, would not undermine the Licensing Objectives. The Committee were satisfied that the residents' concerns had been addressed in the conditions which the Committee noted were extensive. The Committee noted that there were no objections from the police or other Responsible Authority.
- The Committee was satisfied that a number of the neighbours' concerns fell outside the Licensing regime and related to planning or highway matters and therefore were not considered as part of this application.
- The Committee considered the representations from local residents and in particular the concerns regarding future problems relating to noise. The Committee noted the rural setting of the premises but considered that the conditions were adequate to prevent Public Nuisance occurring.
- The Committee acknowledged Mr Wallace's considerable experience in the licensing business. It was noted that he had worked with the experts and had accepted the conditions requested by the police and environmental health officers and the two additional conditions at the hearing and had tried to meet the concerns of the local residents.

- The Committee advised the residents that if there were any problems in the future then the review procedure would be the correct approach to deal with these issues.

In reaching its decision, the Committee had regard to:

1. The Licensing Act 2003 (the Act)
2. The Guidance published by the Secretary of State under s182 of the Act
3. The Council's Licensing Policy

7 Application for a new personal licence-Police objection

The Service Director Health and Wellbeing submitted a report to provide members of the Licensing Committee with information to assist them at a hearing.

The Police Licensing Officer had been called away during the previous agenda item, however PS Helen Parkinson had passed a hand written statement to the Licensing Manager and requested that it be handed out to members and Mr F and Mr R at the hearing.

Mr F was present at the meeting, along with Mr R as support, but he was not legally represented.

All parties were allowed time to read PS Parkinson's submission.

Mr F spoke to the committee, explaining the circumstances of his conviction (February 2015) as referred to in the report with regard to his past conduct.

Members asked questions of Mr F, and he provided an explanation of the incident and also what he had done and achieved from when he was last before committee in November 2015, up to the present date.

The report noted that Mr F had not received any further convictions during this time and Mr F confirmed this.

Members retired to consider the application in closed session. The Licensing Committee then reconvened and the Chairman announced the Committee's decision.

RESOLVED that Mr F be granted a Personal Licence without any further conditions.

Reasons for Decision taken:-

The Committee were satisfied that Mr F had matured since the last application in December 2015 and were impressed with his progress and level of commitment shown to date. In addition, the Committee were encouraged by his maintained sobriety and absence of further offending and his continued attendance at SMART.

The Committee noted the seriousness of the offences and the concerns from the police that Mr F had only just finished his suspended sentence three months ago and that there was a risk that once the suspended sentence was finished his previous behaviour could come to light.

Nevertheless, the Committee were encouraged by the fact that he had not come to the police's attention since his sentence and that he had been working in and around alcohol at the Hilton Hotel in his current role without any issues. The Committee therefore considered that with the continued support from his employers together with his own continued resolve that it was unlikely he would reoffend.

The Committee considered that he had turned his life around and by granting the licence, it would help to focus his mind further and drive him on in his career.

For these reasons, the Committee concluded that the granting of the application would not undermine the crime and disorder objective.

The meeting started at 6.07 pm and finished at 8.37 pm.

I feel this application should be opposed as an extension of licensing hours can only lead to increased likelihood of ASB , damage to property and disturbance for local residents and will put further pressure on police officer resources.If the application were to be granted then it will encourage similar applications for other premises in the area exacerbating these issues.Regards Cllr Roger Berry.

We object to the application of the half hour extension to all the days specified in their application.

Our reasons are:-

Disturbance, certain amount of sound leakage from the premises as our property borders the back of The Cube, people round the back smoking and activity around the dustbins late at night.

Also most importantly people leaving the club late at night walking down Vicarage Road causing a disturbance, taxis coming and going later at night. As the later in the night The Cube is open, the quieter the background sound levels drop which causes an increase in volume of disturbance of people leaving the premises.

Subject: Extended Licensing Hours The Cube / Breck Road / Poulton Le Fylde

Dear Sirs

In relation to the licence application to be extended by The Cube by 30 minutes on a Friday and Saturday and possible week day and associated Bank Holidays .

We wish to put forward an objection to this , as we already believe the license that the Cube holds at present is already very late in the early hours of the morning over the weekend and bank holidays etc. and is already enough when the residents of the near by streets (Vicarage Road) , have had disturbances over the past few years , very late into the night , by either people leaving and walking down the streets(usually very loud and shouting) , also entering their vehicle's, banging car doors, having a long chat or row outside our homes or violence . Extending further long hours will only make the situation worse and as more people can drink longer , which will increase the associated problems which the residents will have to endure further .

We cant even open our windows at the weekends as the noise is bad enough in the early hours (even though they are double glazed) which effects our rights to live a reasonable quality of lifeand not be disturbed constantly though many nights over a long period of time , with a family of three children and working parents . A reduction of many of the licenses would be a better solution , so we can get so sleep, after MIDNIGHT ! Theses large family homes were here well before theses licenses of bars, clubs etc ... and we deserve some sort of quality of life .

There is no justification for this further extension request except profit . In most towns and cities across the country you will find it quite hard to find a licensed pub, bar or club open very late into the night (3.00pm!!!) in a residential area including London!! for clear reason and they don't quite go home then , as already stated. Usually on our road for sometime !! ...

I therefore trust that no further extension of opening hours will be granted and look forward to hearing from you with the outcome.

Yours Sincerely

Mr and Mrs Hasty

<p>To prevent crime and disorder</p>	<p>Yes. The extension to establishments selling alcohol in a highly residential area is causing significant disturbance to us as a family with young children. The excessive consumption of alcohol until 3am in the morning has lead to a significant increase in disorderly and violent behaviour with total disregard to the impact this has on adjacent residents. The character of Poulton during these hours has a detrimental impact on Poulton and creates an environment which is out of character with the image Poulton wishes to project Currently the licensee appears to make no effort to understand the needs of the local community.</p>

For the attention of Stuart Fletcher, Licensing Officer.

We would like to register our objection to an extension of the licensing hours to 03.00 hours at the Cube, the noise nuisance and antisocial behaviour of the intoxicated customers leaving the Cube is already very intrusive and disturbing. It would be preferable to reduce the licensing hours for the premises, particularly as we understand that there is no active police presence in Poulton after 02.00 hours.

APPENDIX 4 TC06 Rep (6)

Good Evening

I am writing to voice my concerns over the request from the Cube Bar to extend its license to sell alcohol to 03:00hrs and its closing times to 03:30hrs on Friday and Saturdays. The application also states that the owners wish to extend their opening hours during the whole month of December and all bank holidays, broadly; If I have read the application correctly then the request is to extend its hours on Monday Thursday Friday and Saturday.

As a resident who lives in Purdy Hill with a young family and whose property backs onto the Cube, I have to strongly object to these proposals. I regularly have to close my rear doors and windows in the early evening because of the loud noise and bad language coming from the beer garden, I have also been told the license for the beer garden allows the Cube to serve drinks until 18:00hrs, however over the last eight weeks and with the weather allowing outside drinking, there are still people drinking outside at 21:00hrs. This is compounded by the emptying of glass bottles at the rear of the Cube into the commercial bins at all hours of the evening/early morning. This disregards for the local residents and the current licensing demonstrating a lack of consideration for the community and compliance with the current licensing.

I have also started to find drugs paraphernalia in the street on Saturday and Sunday mornings. Small postage size plastic zip bags that are used for drugs have been found littering the road at the entrance to Prudy Hill, and whilst I cannot directly attribute this to the Cube, questions must be asked about the drug policies at the Cube and Déjà vu clubs and the proximity to these empty drugs bags.

I think that the request for an extension adds nothing to Poulton and puts the Cube's business model before the needs of the town and local residents. I could understand this request if we lived in the centre of a large city or town or the local council was inundated with requests from local residents for a drinking establishment that is open till 3:30am, but we don't live in a big city or town, and I'm guessing that the council are not swamped by requests from local residents for somewhere to drink till 3 in the morning.

We need to ask ourselves what kind of town do we want to live in? If we want a town that is great to visit for a meal and an evening drink, then I think the current licensing is more than adequate, however if we want to turn Poulton into a late-night drinking town for 18-year olds* with all the associated problems around drunkenness and antisocial behaviour, then I think by allowing this extension to the current licensing we will be taking a massive step towards this.

Kinds Regards

Mr D W Hutchison

Poulton Le Fylde

* Having looked at the Cube's door policy they operate a challenge 25 policy in the evening, I initially thought this meant that it was only customers over 25 that would be allowed to purchase alcohol, however having looked into the challenge 25 policy, it only states that the company will ask anybody that looks under 25 for I.D and that the actual door policy is 18 and over. I think this is important and adds weight to argument that the later license will attract younger drinkers.

Subject: Proposed extension to opening hours of "The Cube"

David,

Sorry for the delay in sending this email. I've been having a problem with my computer. I hope it will still be considered.

I am totally opposed to any extension of the opening hours at the premises known as "The Cube". My reasons are as follows:

1. I understand there is no police presence in Poulton after 2.00am therefore any unruly behaviour goes unchecked.
2. Local residents (such as those of us who live on Prudy Hill) are already subjected to the disruptive, noisy, and unruly behaviour of the customers from The Cube as they leave the premises in the early hours of the morning. Any lengthening of the licensing hours can only serve to worsen this situation.
3. The rubbish (cigarette packets, cans, bottles, glasses) discarded in the street and pools of vomit on the pavements are unsightly and unhygienic.

Please remember when considering the request to increase the opening times of establishments such as The Cube that this is a residential area after all, and the residents deserve your concern just as much, if not more than local businesses.

Objection Notice to Temporary Event Notice submitted by Joel Russell Guy in respect of Saturday 9 September 2017 at the Glasshouse, 6 Bispham Road, Cleveleys, FY5 1DG

1. Purpose of report

- 1.1 To provide Members with information to assist them to consider an Objection Notice from a Relevant Person and decide whether or not to serve a Counter Notice to the Temporary Event Organiser in accordance with Section 105 of the Licensing Act.

2. Outcomes

- 2.1 Members must consider the Objection Notice given by the Environmental Health Officer. Members should then consider whether to issue the premises user a counter notice under section 105 of the Licensing Act 2003, to prevent the event from being authorised.
- 2.2 Should the Committee determine not to issue a Counter Notice under section 105, and allow the event to go ahead, it will need to make a further decision on whether it is appropriate to attach conditions under section 106A of the Licensing Act 2003. Any conditions should be imposed on premises licence PL(A)0175 and should not be inconsistent with the carrying out of the licensable activities under the temporary event notice.

3. Recommendation/s

- 3.1 That Members consider the Temporary Event Notice (TEN) and Objection Notice and determine whether to issue a Counter Notice under section 105 of the Licensing Act 2003, or attach such conditions as it deems appropriate under Section 106 (A) of the Licensing Act 2003.

4. Background

- 4.1 TEN's are a means to authorise licensable activities that are not authorised under a premises licence or club premises certificate.

4.2 They are subject to a number of statutory limits and where these limits would be breached, the Licensing Authority would automatically issue a Counter Notice under section 107 of the Licensing Act 2003.

4.3 The Police and local Environmental Health authority have powers to object to a TEN where they are satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.

4.4 Where an Objection Notice is submitted and not withdrawn, the Licensing Authority must hold a hearing to consider the Notice, within 7 working days starting at the end of the 3 day period given to relevant persons to respond to the TEN.

4.5 The Glasshouse currently has the benefit of a premises licence (Appendix 1) authorising the sale of alcohol for consumption on the premises on a Saturday until 23:00, the provision of regulated entertainment until 22:30 and is permitted to remain open to the public until 23:30.

5. Key issues and proposals

5.1 A TEN (Appendix 2) was given under section 100 of the Licensing Act 2003 as follows:

Premises user: Mr Joel Russell Guy (Personal Licence WBCPA2168)

Premises: The whole of the premises known as The Glasshouse, 6 Bispham Road, Thornton Cleveleys, FY5 1DG

Premises licence: PL(A)0175 held by New Metro Ltd

Date of event: Saturday 9 September 2017

Event details: Live music and alcohol on a Saturday night beyond hours
currently licensed

Times requested: Live Music until 23:00
Sale of alcohol until 24:00
Premises to close at 00:15

Max no. of people: 250

5.2 Copies of the TEN were served on the Police and Environmental Health on Friday 18 August 2017.

5.3 On Monday 21 August 2017 Environmental Health submitted an Objection Notice to the application which is attached at Appendix 3.

5.4 Whilst all of the Council's Statement of Licensing Policy should be taken into account when considering this Notice, attention is particularly drawn to the following paragraphs:-

- 7.0 General Approach
- 14.0 The Licensing Objectives
- 14.3.1 Disturbance by patrons leaving the premises
- 14.3.3 Noise Nuisance

5.5 If the Licensing Authority imposes one or more conditions under section 106A, it must give the premises user a notice of the decision accompanied by a separate 'statement of conditions', in the prescribed format, setting out the conditions which will apply to the TEN.

5.6 This must be given no later than 24 hours before the commencement of the activities specified in the TEN. Each party to the hearing must also be given these documents.

Which of the four licensing Objectives does your representation relate to? Please state yes or no.	Yes Or No	Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary.
The Prevention of harm to children	No	
To prevent Public Nuisance	Yes	In my role as a statutory consultee, I have reviewed the application for a Temporary Event Notice (TEN) for 9 th September 2017. My professional opinion as a Local Authority Environmental Health Officer with 25 years' experience in the regulation of noise nuisance and anti-social behaviour, is that to grant this application and thus allow the sale of alcohol until 24.00 (premises to close at 00.15) and the playing of live music until 23.00, could result in noise nuisance and anti-social behaviour to local residents, some of whom live adjacent to the premises. Furthermore, this application goes against the decisions made by the Council's Licensing Committee on 3 rd August 2017 relating to the application for variation of the premises licence. These decisions included the addition of conditions (as agreed by the Licensee) to the premises licence. One of these conditions was the requirement to use a noise-limiting device, set to a level agreed by the EHO. I can confirm that, to date, this has requirement has not been complied with.

		<p>Finally, as the investigation into the noise complaint against the licensed premises is currently open with the Council's Environmental Protection Service (EPS), I do not consider it appropriate to extend the timings as requested.</p> <p>Therefore, I would ask that this TEN application is refused.</p> <p>NB A 'late' TEN application for 25th and 26th August 2017, has also been made by the applicant but this has been refused by the EPS for the same reasons as noted above.</p>
To prevent crime and disorder	No	
Public Safety	No	

<p>Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary and refer to checklist.</p>
