Provision of specialist planning consultancy support to the Development Management team for the Halite Gas Storage Project

The Chief Executive submitted a report seeking approval for the engagement of the engineering consultancy partnership Fairhurst as the council's consultants to work as part of the Development Management Team when required, to discharge and monitor the requirements set out in the Development Consent Order granted on 17 July 2015 for the Halite Gas Storage Project, an underground gas storage facility at Preesall.

Decision taken

The portfolio holder gave approval to enter into a contract with Fairhurst following the completion of a competitive tendering procurement process through the CHEST.

Date of Publication: Thursday, 2 August 2018

What were the reasons for the recommendation and any other options were considered and rejected?

Full details of the reasons for the recommendation and any alternative options that were considered but rejected, are included in the full reports.

When will these decisions be implemented?

All decisions will be put into effect five working days from the date of publication, unless a decision is "called-in" by any three members of the council within that period. The "call-in" procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 17 of the Overview and Scrutiny Procedure Rules).

If a decision is "called-in", the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask the Portfolio Holder to reconsider the decision.
