**41        Declarations of Interest**

None.

**42        Confirmation of minutes**

The minutes of the Licensing Committee meetings held on 30 November 2017 and 6 December 2017, were both confirmed as correct records.

**43        Taxi Licensing and Enforcement Policy Review**

The Service Director Health and Wellbeing submitted the draft Hackney Carriage and Private Hire Licensing Policy to members for amendment and/or approval, before beginning a formal six week consultation period.

The Licensing Manager introduced the report.

The report outlined the background to the current policy which has been in place for many years and has only been subject to minor revisions over the last decade.

Members were aware of several high profile child abuse cases, which resulted in a number of local licensing authorities being criticised for taking a too lenient approach to the fit and proper test for licensed drivers.

A complete re-write of the Council's policy has been undertaken, bringing it up to date and ensuring that the approach adopted by the Council in the respect of taxi licensing prioritises public safety and remains fit for its purpose.

The report highlighted some of the key issues and proposals within the policy and confirmed that following its adoption, members and officers will have regard to it when determining private hire and hackney carriage applications. It also acknowledged that the policy is not immutable and that every case will be considered on its own merits.

The Committee Members discussed the report and unanimously voted that the resolution be passed.

**RESOLVED** that:-

- The Licensing Committee agree the draft Licensing Policy.
- That the Senior Licensing Officer undertakes a six week consultation with the trade and other relevant persons on the draft policy.
- That the Senior Licensing Officer and the Chairman, consider all the responses received and where it's appropriate, amend the draft policy, and present it to the March Licensing Committee meeting, with an adoption date from 1 April 2018.

**44 Exclusion of the Public and Press**

**RESOLVED** that the public and press be excluded from the meeting whilst agenda item 6 is being considered, because it refers to exempt information as defined in category 1 (information relating to any individual) of Part 1 of Schedule 12(a) of the Local Government Act, 1972, as amended by the Local Government (Access to Information) Variation Order 2006 and, that the public interest in maintaining the exemptions outweighed the public interest in disclosing the information.

**45 New applicant for a Wyre dual driver licence with a current motoring conviction and spent criminal convictions**

The Service Director Health and Wellbeing submitted a report to provide members of the Licensing Committee with information to assist them at a hearing. An additional letter of support for the applicant, which had been received after the agenda had been published, was handed out to the

Committee.

Mr J was present at the meeting, supported by a friend, but he was not legally represented.

The Licensing Manager introduced the report.

Mr J spoke to the Committee, explaining the circumstances of his spent convictions (February 1997 being the last) as referred to in the report with regard to his past conduct.

Members and the Licensing Manager asked questions of Mr J, and he provided explanations of the incidents then and up to the present date.

Mr J, Mr B and the Licensing Manager then left the room whilst the Committee Members considered the application in closed session. The Licensing Committee then reconvened and the Chairman announced the Committee's decision to everyone.

**RESOLVED** that Mr J be granted a one year Wyre dual driver's licence without any further conditions.

The reasons for the decision were:

The Committee noted the convictions, but had regard to the fact that the last conviction was more than 20 years ago. It accepted Mr J's explanation and assurance that such criminal conduct was in the past. The Committee were however, mindful of the recent motoring offence which resulted in a 28 day disqualification and so considered Mr J to be a fit and proper person to hold just a one year Wyre Council dual driver's licence.

The meeting started at 6.07 pm and finished at 6.45 pm.

## Application to vary a Premises Licence – Truth Bar, Poulton-le-Fylde

### 1. Purpose of report

- 1.1 To assist members to determine an application from Mrs Stephanie Lynn Adkinson to vary premises licence PL(A)0260, in respect of Truth Bar, 33 Market Place, Poulton-le-Fylde, FY6 7BS

### 2. Outcomes

- 2.1 That the application to extend the operating hours at Truth Bar be determined.

### 3. Recommendation

- 3.1 That Members consider the application submitted by the Premises Licence Holder along with the representations from interested parties and determine the application.

### 4. Background

- 4.1 On 27 November 2017, the Licensing Unit received an application from Mrs Stephanie Adkinson, made under section 34 of the Licensing Act 2003 (**Appendix 1**).
- 4.2 The application seeks to extend the permitted hours for the sale of alcohol on Friday and Saturday nights, Bank Holiday Sundays, Christmas Eve, Boxing Day and New Year's Eve, until 02:30 hrs.
- 4.3 The applicant also wishes to extend the hours for live and recorded music to 02:45 on these days and to remain open to the public until 03:00 hrs.
- 4.4 Mrs Adkinson has held Premises Licence PL(A)0260 for the venue since December 2015 (**Appendix 2**).

The Licence currently authorises:-

- The sale of alcohol, for consumption on the premises, between 11:00 hrs and 01:00 hrs, Monday to Sunday.
- Live Music until midnight, Monday to Sunday.
- Recorded Music until 01:30 hrs, Monday to Sunday.
- Facilities for dancing until midnight, Monday to Sunday.
- Late Night Refreshment until 01:00 hrs, Monday to Sunday.

**4.5** Appendix 3 shows the location of the premises.

## **5. Key issues and proposals**

**5.1** Section 35 (3) of the Licensing Act 2003, as amended, requires the Licensing Authority to hold a hearing to consider the application and any relevant representations, within 20 working days following the end of the statutory 28 day consultation period, which ended on 29 January 2018.

**5.2** The application has been advertised in accordance with the Regulations and seven representations have been received from interested parties (**Appendix 4**).

**5.3** The objectors raise concerns over noise levels from the music within the venue, with residents living adjacent to the venue reporting that they are able to identify which song is being played, as the music is that loud.

**5.4** Local residents also raise concerns that the noise and disturbance from patrons outside the venue and particularly when they leave late at night is already an issue for them and they are worried that this disturbance will occur even later into night, if the extension is granted.

**5.5** Reference has also been made to the amount of littering left outside the venue in the form of cigarette detritus, discarded chewing gum, bottles and glasses that the venue allegedly fails to clear away.

**5.6** Environmental Health have been consulted and agreed additional conditions with the applicant to mitigate against nuisance if the operating hours are extended (**Appendix 5**).

**5.7** The Police have been consulted and agreed an additional condition to be included on the operating schedule, if the application to extend beyond the current operating hours is granted (**Appendix 6**).

**5.8** Lancashire Fire and Rescue Service have been consulted and have no objections to the application (**Appendix 7**).

**5.9** Responses have not been received from any of the other Responsible Authorities.

- 5.10** To assist all parties to the hearing, **Appendix 8** is a comprehensive list of the existing and proposed conditions that would form Annex 2 to the Licence, if any extension to the operating hours is granted.
- 5.11** When considering the application Members should take into account the Council's own Statement of Licensing Policy. The following paragraphs are particularly relevant to this application and are reproduced in **Appendix 9**.
- 14.3 Prevention of Public Nuisance
    - 14.3.1 Disturbance by patrons leaving the premises
    - 14.3.3 Noise Nuisance
    - 14.3.5 Litter
- 5.12** Members are also directed to the Statutory Guidance issued under section 182 of the Licensing Act 2003 and in particular paragraphs 2.15, 2.16, 2.17, 2.18, 2.19, 9.38, 10.14, which are reproduced at **Appendix 10**.
- 5.13** If, after having regard to all the representations, the Committee is satisfied that granting the application would undermine one or more of the licensing objectives, it must then consider what steps would be appropriate for the promotion of the licensing objectives.
- 5.14** It may take any of the following steps:
- To modify the conditions of the licence (which includes, altering or omitting existing conditions or adding new ones).
  - To reject the whole or part of the application.

<b>Financial and legal implications</b>	
Finance	There are no financial implications directly associated with this application.
Legal	Any party to the hearing has the right of appeal to the Magistrates Court if they are aggrieved by the decision. The hearing should be conducted following the principles of natural justice and in accordance with the Council's own hearing procedure.

### Notes for Guidance

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.**

- You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy

Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.

  - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.   - Live music: no licence permission is required for:
    - a performance of unamplified live music between 08.00 and 23.00 on any day on any premises.
    - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for

At all other times the licence holder will determine an appropriate number of door staff having regard to a risk assessment maintained by the licence holder and which must be available for inspection if required.

A signing in sheet will be completed by each member of door staff on duty at the premises to include the times of their tour of duty, SIA badge number, full name, signature and date of birth. Subject: Truth license Poulton

Dear Sir/Madam,

I am writing regarding the potential for TRUTH to be open until 3am. I am a tenant in 27 Market Place and my flat backs onto the car park, with my bedroom looking onto the car park. Since Truth has opened, the noise heard from the club in my flat has been at an unacceptable level, often meaning that I cannot sleep. I have often been woken up in the early hours of the morning due to people from the club arguing and shouting in the car park when the club is closing. The last time this happened, pumpkins were smashed all over the car park, which my car slipped on the following morning.

I have had to constantly ask for measures to be taken to allow me to sleep in my flat, which has including the walls being soundproofed even further. However, on certain nights, the noise is so high that I can tell which song is being played and I could even sing along.

It is such a shame, as I was not aware of the opening of Truth when I rented out the flat and I pay a high proportion of my salary to live in the flat, which is ruined by the disregard shown to tenants in the vicinity of Truth.

I highly hope that the license is not extended.

Best regards,

The application to extend the opening hours of the Nightclub to 0245 should not be granted. The area is residential and clubbers leaving at this time will be noisy and disruptive to the neighbourhood. When I moved here I was aware of the opening hours of Gennars (the previous business) but extending the hours to 0245 is not suitable for a residential area.

Please do not grant this extension of the licence.

**Subject:** re Application to extend opening hours at Truth Poulton

**Hello**

We wish to object to the application by Truth to extend their already late licensing hours for the following reasons:

- the business is in extremely close proximity to many residential properties, including our own, and already causes late night noise
- customers at Truth are already causing unsightly mess directly outside the entrance, including cigarettes, cigarette packets and large amounts of discarded chewing gum. This area is a direct walking route into the town centre and I suggest that a member of the council should inspect it for themselves to appreciate the disgusting mess

We hope you will take these objections into consideration and refuse the application.

Regards

**Subject:** TRUTH BAR LICENCE EXTENSION

I live in the residential building directly next to Truth bar!. Ever since the licence was approved for this bar to go ahead i have had nothing but problems. my bedroom is directly joined to the building and i can and do every single weekend have to listen to there music until the early hours!. how on earth they got a licence granted in the first place is questionable as the beautiful residential building i and the two other ladies that live above me should never have had to put up with the constant up evil this has caused every single weekend. As a Poulton resident who pays a substantial amount not only in rent but in Council tax to now hear that you are actually considering contemplating giving them a 3am license i am appalled to say the least!. My quality of life has been massively effected since this bar has opened, i have to lay in my bedroom listening to the music and at times so loud i have to leave the room, i can also hear people what seem to be using the toilet facilities. The Baines house that is a listed and beautiful building should never of had this license of the bar approved in the first place. I am now having to consider moving out of the place i call my home due to your thoughtless and inconsiderate licensing.

I never ever thought that this was what poulton was about or stood for, money first and residents last. having to listen to not only everything through my bedroom wall but everyone outside my window has seriously diminished my quality of life and feeling once so privileged to be living in a 1700 listed building i am nothing less than disgusted to now hear that you, the so called council for the people of poulton are going to consider this 3am license!.

I shall and will be considering bringing this to the attention of the poulton public and the papers as i feel that you have never once considered the long term residents that live in one of poultons oldest listed buildings.

**Subject:** License at Truth

Dear Licensing

I have heard that Truth have applied to have their license extended to 3am. This is far too late in a residential area - people hang around outside making noise. It would also alter the dynamics of footfall around Poulton. Currently people coming out of the Cube etc just go down the road for a takeaway or carry on for a taxi. If Truth was open till 3am, people will have to cross through the Market Place/Churchyard/Chapel St to get to any takeaways. As by this time they will have consumed more alcohol there is an increased risk of anti social behaviour - whether it is being "loud" or play fighting and pushing and shoving (with potential for damage to shop doors and windows. By the time they have got their food and consumed it (and dropped the litter) it is quite late.

There will be a knock-on effect for the police and local taxi drivers.

Surely it is better to get people out of Poulton earlier? Poulton does seem to have improved with premises closing earlier.

Regards  
Ann

**Subject:** RE: Variation to premises licence Truth Bar Poulton

I must object on behalf of the residents of my ward who live close to this establishment.

An extension of hours would impact on the amenity of residents caused by the increase in noise from people standing outside and entering and leaving the premises, these premises are situated in a mostly residential and daytime commercial part of Poulton and therefore should not be subjected to a late night license.

**Subject:** Truth Bar extended hours

I object strongly to the proposed extended hours at this bar. Every weekend morning the pavement outside the bar is littered with drinks glasses and wine and beer bottles. These are still there until the afternoon and cause a danger to children should they get kicked and broken. I have a flat in Falkus Court, 10 Hardhorn Road and the situation is the same there, alcohol glasses and bottles left on our wall and thrown and broken near our front door. People do not get more well behaved when they drink until 3am and there are lots of residences that the Truth Bar customers would be disturbing on their way home. If people want this type of establishment then Blackpool is only a couple of miles away and has plenty. Poulton is wonderful because it is not Blackpool and please lets keep it that way.

Please consider you council tax payers and their right to have a safe environment and undisturbed nights.

Thankyou

### **14.3 Prevention of Public Nuisance**

Licensed premises have a significant potential to impact adversely on communities through public nuisances, which can arise from their operation. The licensing authority recognises the need to prevent public nuisance to residents, visitors and other businesses from the potential consequence of the operation of licensed premises, whilst balancing the rights of licensed premises to develop their business potential.

In considering what constitutes a public nuisance the Licensing Authority will make a judgement as to whether the effect of the licensable activities on those living or working in the area around the premises is disproportionate or unreasonable. It is accepted that such disturbance could affect small numbers of people and does not need to cause a major disturbance to the whole community. Issues which could be considered as public nuisance are mainly noise, light pollution and litter.

#### **14.3.1 Disturbance by patrons leaving the premises**

Although once patrons have left the curtilage of a licensed premises staff are not able to deal with associated noise and disturbance, those managing the premises should take appropriate measures to minimize noise and disturbance.

Management, staff and door supervisors are encouraged to be proactive in assisting customers to leave the premises in an orderly manner, to reduce the nuisance to neighbours from noise caused by patrons, especially after midnight. Residents can be detrimentally affected by late night venues and premises should look at procedures and staff training to minimize impact on the locality.

#### **14.3.3 Noise Nuisance**

Conditions relating to noise nuisance will normally concern the measures necessary to control the levels of noise emanating from the premises. Any conditions necessary to promote the licensing objective will be tailored to the style and characteristic of particular premises and may include restrictions which ensure that the volume of amplified sound used in connection with entertainment is under the control of the licensee or management and that the controlling mechanism is operated from a part of the premises inaccessible to the public.

Where applications lead to representations about noise, all appropriate conditions will normally be focused on the most sensitive periods. For example music is more problematical when it is played from late evening until the early hours of the morning when nearby residents are attempting to get to sleep. Areas used for smoking may lead to noise issues for nearby residents and where possible designated areas that are away from nearby residents should be used for smoking.

#### **14.3.5 Litter**

The cumulative effects of litter around premises carrying on licensable activities can amount to public nuisance. The licensing authority requires that any premises that can cause litter, be it from a take away food establishment or cigarette debris left by its customers, must remove it at regular intervals.

This is essential for any type of licensed premises (including takeaways) which closes at midnight or beyond.

## Public Nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.
- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the

## Determining Applications

- 9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
- the steps that are appropriate to promote the licensing objectives;
  - the representations (including supporting information) presented by all the parties;
  - this Guidance;
  - its own statement of licensing policy.

## **Hours of Operation**

- 10.13 The Government acknowledges that different licensing strategies may be appropriate for the promotion of the licensing objectives in different areas. The 2003 Act gives the licensing authority power to make decisions about the hours during which premises can conduct licensable activities as part of the implementation of its licensing policy statement. Licensing authorities are best placed to make decisions about appropriate opening hours in their areas based on their local knowledge and in consultation with responsible authorities. However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application.
- 10.14 Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.
