Profiling of local Business Rates

The Service Director People and Places submitted a report requesting approval of the purchase of specialised business rate forecasting and analysing software, which would enable the council to maximise the income available from the businesses currently operating in the borough.

Decision

The Resources Portfolio Holder agreed

- to the purchase of the Inform CPI Ltd Analyse Local Forecasting (Analyse Local) and Retention Maximisation software, initially for one year, at a cost of £7,500 together with an additional one-off cost of 10% of the value of any new or increased Rateable Value identified by Analyse Local through their RV Finder product.
- that approval be given to deal with the acquisition under the exemptions to Contract Procedures contained within the Financial Regulations and Financial Procedures Rules on the grounds 'that the goods, works or services are of a specialised nature carried out by only one or a limited number of firms with no reasonably satisfactory alternatives available'.

What were the reasons for the recommendation and any other options were considered and rejected?

Full details of the reasons for the recommendation and any alternative options that were considered but rejected, are included in the full reports.

When will these decisions be implemented?

All decisions will be put into effect five working days from the date of publication, unless a decision is “called-in” by any three members of the council within that period. The “call-in” procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 17 of the Overview and Scrutiny Procedure Rules).

If a decision is “called-in”, the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask the Portfolio Holder to reconsider the decision.
