---

### **CAB.33      Declarations of interest**

None

### **CAB.34      Minutes**

The minutes of the Cabinet meeting held on 2 December 2015 were confirmed as a correct record.

### **CAB.35      Public Questions**

None

**CAB.36****Clinical Commissioning Groups task group – final report**

Councillor Robinson, the Chairman of the Clinical Commissioning Groups task group and the Corporate Director of Resources submitted a report to the Cabinet on the work of the Clinical Commissioning Groups task group. Councillor Robinson thanked the officers and councillors who had had an input into the work of the task group and the Leader echoed her thanks for the work that had been done.

The Health & Community Engagement Portfolio Holder affirmed that the council's engagement team already had very strong relationships with Fylde and Wyre CCG and that in addition to sharing updates of key activities of mutual interest, the CCG contributed articles for the Wyre Voice magazine and shared relevant health information through the council's social media channels. Fylde and Wyre CCG also provided questions for inclusion in and contributed financially to the running costs of the council's Life in Wyre survey and would be asked if they wished to contribute to the next survey scheduled for later in 2016.

**Decision taken**

Cabinet agreed that

- the council's engagement team would explore ways in which better communication with the other three CCGs could be developed, using the work done with Fylde and Wyre CCG as an example of good practice.
- the Health and Community Engagement Portfolio Holder would take the lead role in enhancing working relationships with the four CCGs and would provide updates on any actions that had been taken in her Executive reports to Council.
- the Health and Community Engagement Portfolio Holder would be the nominated contact point for the four CCGs, rather than identifying separate elected members for each CCG as suggested in the recommendations of the task group, and a mechanism would be set up to ensure that pertinent information was shared to the relevant councillors. The issue of cascading information to councillors whose wards did not fall within Wyre and Fylde CCG would also be addressed.

**CAB.37****Authorities Monitoring Report 2014-2015**

The Planning and Economic Development Portfolio Holder and Corporate Director of People and Places submitted a report asking Cabinet to consider and recommend the content of the Authorities Monitoring Report 2014-2015. Cllr Murphy explained that, as it was a large document which would have necessitated expensive colour printing, the appendix of the report (the Authorities Monitoring Report) had been excluded from paper copies of the agenda. In lieu of the appendix, he circulated copies of his own briefing note to members of the Cabinet and Shadow Cabinet.

Councillor E Anderton asked whether there had been any further news about when work might begin on any of the unimplemented affordable housing permissions mentioned at paragraph 5.5 of the report and Councillor Murphy said he would make enquiries and let her know the outcome.

Councillor Shewan asked why permissions were not enforced to ensure that the council met its affordable housing target. Members of the Cabinet pointed out that the council only possessed authority to grant planning permission and had no additional powers to force developers to build on the land once permission had been granted.

#### **Decision taken**

Cabinet agreed that, subject to the inclusion of any minor editorial alterations, the Authorities Monitoring Report 2014-2015 as set out in Appendix 1 of the report be approved and made available for public inspection.

#### **CAB.38 Capital Budget 2015/16 and Capital Programme 2016/17 Onwards**

The Resources Portfolio Holder and Corporate Director of Resources submitted a report asking Cabinet to agree the latest 2015/16 Capital Budget and the Capital Programme for the financial year 2016/17 onwards.

Cllr R Duffy and Cllr E Anderton asked for further information on a number of items mentioned in the appendix and the Resources Portfolio Holder and the corporate directors provided clarification.

#### **Decision taken**

Cabinet approved the report and agreed

- the latest Capital Budget for 2015/16 and the Capital Programme for 2016/17 onwards, subject to the confirmation of disabled facilities grant at the levels assumed.
- that the financial implications of the Capital Budget and future Capital Programme, following the third quarter review (April to end December 2015), be reflected in the draft Revenue Estimates which will be considered by Cabinet at their meeting on the 17 February 2016 and be subject to approval by Council at the meeting on the 3 March 2016.

#### **CAB.39 Lancashire County Council budget proposals – response to consultation**

The Chairman of the Overview and Scrutiny (O&S) Committee, Councillor Michael Vincent, and the Corporate Director of Resources submitted a report to Cabinet outlining the views of the Overview and Scrutiny Committee regarding the proposals of Lancashire County Council (LCC). As Councillor Michael Vincent was not in attendance, the councillors

present at the meeting acceded to the Resources Portfolio Holder's offer to introduce the report on his behalf.

The Leader commented on the paucity of information provided by LCC and said that full details of the reserves mentioned at paragraph 4.2 and 4.8 of the report should have been made available at the time that the report had been written. His view was that those reserves could be used to continue to provide services to the elderly and vulnerable.

Cllr Shewan said that LCC had been left with no option other than to make a stark choice between continuing to provide a library service or continuing to provide services to vulnerable groups. The Leader and Deputy Leader responded that there appeared to be no political will to look at any alternatives such as volunteering and suggested that different ways of working could be considered before threatening cuts of the magnitude that LCC were proposing.

### **Decision taken**

Cabinet approved the report and agreed that the views of the Overview and Scrutiny Committee, as detailed in this report, be submitted to Lancashire County Council as Wyre Council's contribution to stage one of the consultation on the budget proposals.

The meeting started at 6pm and finished at 6.49pm.

---

**Date of Publication:** 21 January 2016

### **Options considered but rejected**

Any alternative options that were considered but rejected, in addition to the reasons for the recommendations that were made, are included in the full reports.

### **When will these decisions be implemented?**

All decisions will be put into effect five working days from the date of publication, unless a decision is "called-in" by any four Members of the council within that period. The "call-in" procedure is set out in [Part 4 of the Council's Constitution](#) (Paragraph 16 of the Overview and Scrutiny Procedure Rules). If a decision is "called-in", the Overview and Scrutiny Committee may decide that the original decision should be upheld or ask Cabinet to reconsider the decision.

<b>Revenue Budget, Council Tax and Capital Programme</b>
--

**1. Purpose of report**

1.1 Confirmation of the Revenue Budget, Council Tax, Revised Capital Budget 2015/16 and Capital Programme 2016/17 onwards.

**2. Outcomes**

2.1 The Council's Revised Revenue Budget for 2015/16 and the Revenue Budget for 2016/17.

2.2 To recommend Wyre Borough Council's Council Tax for 2016/17.

2.3 The Council's Revised Capital Budget 2015/16 and the Capital Programme 2016/17 onwards.

2.4 The relevant Prudential and Treasury Management Indicators in accordance with the requirements of the Prudential Code for Capital Finance.

**3. Recommendations**

3.1 That the following be approved:-

a. The Revised Revenue Budget for the year 2015/16 and the Revenue Budget for 2016/17.

b. For the purpose of proposing an indicative Council Tax for 2017/18, 2018/19 and 2019/20, taking into account the Medium Term Financial Plan at Appendix 2 which reflects an increase of 1.75% each year, any increase will remain within the principles determined by the Government as part of the legislation relating to Local Referendums allowing the veto of excessive Council Tax increases.

c. Members continuing commitment to the approach being taken regarding the efficiency savings, detailed within the Council's 'Annual Efficiency Statement' at Appendix 1.

- d. Any increases in the base level of expenditure and further additional expenditure arising during 2016/17 should be financed from existing budgets or specified compensatory savings, in accordance with the Financial Regulations and Financial Procedure Rules.
- e. The use of all other Reserves and Balances as indicated in Appendices 4 and 5.
- f. The manpower estimates for 2016/17.
- g. In accordance with the requirements of the Prudential Code for Capital Finance, those indicators included at Appendix 7.
- h. The Revised Capital Budget for 2015/16 and the Capital Programme for 2016/17 onwards.

**3.2** That it be noted that, in accordance with the Council's Scheme of Delegation, as agreed by Council at their meeting of 24<sup>th</sup> February 2005:

- a. The amount of 35,277.51 has been calculated as the 2016/17 Council Tax Base for the whole area [(Item T in the formula in Section 31B of the Local Government Finance Act 1992, as amended (the "Act"))]; and
- b. A Council Tax Base, for dwellings in those parts of its area to which a Parish precept relates, has been calculated as indicated below.

Barnacre-with-Bonds	934.73
Bleasdale	61.37
Cabus	593.49
Catterall	804.76
Claughton-on-Brock	275.02

Forton	497.35
Garstang	1,672.68
Great Eccleston	540.38
Hambleton	988.26
Inskip-with-Sowerby	316.64
Kirkland	135.11
Myerscough and Bilsborrow	404.07
Nateby	227.11
Nether Wyresdale	311.49
Out Rawcliffe	265.58
Pilling	776.58
Preesall	1,889.93
Stalmine-with-Staynall	538.01
Upper Rawcliffe-with-Tarnacre	279.74
Winmarleigh	133.63

**3.3** The Council Tax requirement for the Council's own purposes for 2016/17 (excluding Parish precepts) is £6,466,720.

**3.4** That the following amounts be calculated for the year 2016/17 in accordance with Sections 31 to 36 of the Act:-

- |           |                    |  |
|-----------|--------------------|--|
| <b>a.</b> | <b>£93,549,065</b> | Being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act taking into account all precepts issued to it by Parish Councils.  |
| <b>b.</b> | <b>£86,478,915</b> | Being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.   |
| <b>c.</b> | <b>£7,070,150</b>  | Being the amount by which the aggregate at 3.4(a) above exceeds the aggregate at 3.4(b) above, calculated by the Council, in accordance with Section 31A(4) of the Act, as its Council Tax requirement for the year. (Item R in the formula in Section 31B of the Act).  |
| <b>d.</b> | <b>£ 200.42</b>    | Being the amount at 3.4(c) above (Item R) all divided by Item T (3.2(a) above), calculated by the Council, in accordance with Section 31B of the Act, as the basic amount of its Council Tax for the year (including Parish precepts).   |
| <b>e.</b> | <b>£603,430</b>    | Being the aggregate amount of all special items (Parish precepts) referred to in Section 34(1) of the Act and as detailed in Appendix 6.   |
| <b>f.</b> | <b>£183.31</b>     | Being the amount at 3.4(d) above less the result given by dividing the amount at 3.4(e) above by Item T (3.2(a) above), calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept relates. |

**3.5** That the Council's basic amount of Council Tax for 2016/17 is not considered excessive in accordance with principles approved under Section 52ZB of the Local Government Finance Act 1992.

## 4. Background

- 4.1 The Council Tax for Wyre Borough Council for 2016/17 is proposed from the summary below:-

	£m
Net Expenditure (Before Other Government Grants)	14.213
Less NHB, NDR Grant (net of NDR Levy) and Retained Levy	2.930
Less Revenue Support Grant	1.631
Less Baseline Funding	3.120
Less Projected NDR above Baseline Funding	0.316
	<hr/>
	6.216
Add Collection Fund – Council Tax and NDR	0.251
	<hr/>
Amount Required from Council Tax	6.467
Divided by Council Tax Base at Band D equivalent	35,278
<b>Council Tax for 2016/17</b>	<b>£183.31</b>
Council Tax for 2015/16	£180.16
<b>Increase from 2015/16</b>	<b>£3.15</b>

- 4.2 In the past, businesses paid their rates, which the local authority collected and passed over to the Treasury who then redistributed a share to local authorities via an extremely complex formula referred to as the 'Formula Grant Distribution System'. A new system, introduced from April 2013, allows the Council to keep a proportion of the money it collects in business rates although some authorities earn more in business rates than they used to receive from the previous formula grant with others earning much less.
- 4.3 To address this, the Government calculates a baseline funding level for each local authority and where they receive more in business rates the Government will pocket the difference (the 'tariff') and where local authorities receive less than their funding level this will be paid as a 'top-up'. The tariffs and top-ups were calculated in 2013/14 and are fixed for seven years but, like business rates, will be updated each year by the change in the small business multiplier. The tariff for 2016/17 has been updated by 0.8% recognising the increase from 48p to 48.4p.
- 4.4 Councils are allowed to keep 40% of any additional generated (with 50% being paid to the Government, 9% to Lancashire County Council and 1% to the Fire Authority) but this is regulated by the imposition of a levy which is set at 50p in the pound. In essence, this means that the Council is only able to keep 20% of any additional non domestic rate income in the year. With effect from 1 April 2016, however, the Council will be designated as belonging to the Business Rates Pool of Lancashire. This will result in the County Council being paid 10% of the retained levy (prior to the cost of

administering the pool) with Wyre retaining 90% of the levy previously payable.

**4.5** In order to determine the Settlement Funding Assessment, services have been divided into five groups reflecting the division of responsibilities for providing services including upper tier, lower tier, fire and rescue and services provided by the Greater London Authority. The fifth group covers the notional policing element of the council tax freeze grant legacy payments. Different percentage reductions to core funding have been applied to each group of services, reflecting the pressures on those services. In addition, funding is included within each of these for localised council tax support and compensating authorities for accepting the council tax freeze in 2011/12. Within the Revenue Support Grant only, funding is also included within each of the elements for compensating authorities for accepting the freeze grant in 2013/14, 2014/15 and 2015/16.

**4.6** The table below shows how much grant the authority will receive for the 2016/17 financial year and the indicative allocation for 2017/18. Between 2010/11 and 2016/17 the Council has lost £5.657m in external support equating to a reduction of 63.3% when compared to the level of grant support received in 2010/11 of £8.936m.

	2015/16 £m	2016/17 £m	2016/17 Reduction		Estimated 2017/18 £m	2017/18 Reduction	
			£m	%		£m	%
RSG	2.456	1.631			0.912		
NNDR	3.094	3.120			3.181		
<b>Total Settlement Funding</b>	<b>5.550</b>	<b>4.751</b>			<b>4.093</b>		
2015/16 Council Tax Freeze Grant	0.072						
<b>Total External Support</b>	<b>5.622</b>	<b>4.751</b>	<b>(0.871)</b>	<b>(15.5)</b>	<b>4.093</b>	<b>(0.658)</b>	<b>(13.8)</b>

**4.7** As part of the determination and scrutiny of the decision making process, the Overview and Scrutiny Committee has considered the initial recommendations of the Portfolio Holders in relation to the proposed fees and charges. There was only one capital growth bid which has also been reviewed by scrutiny and is reflected in the Capital Programme at Appendix 9.

## **5. Key issues and proposals**

### Council Tax Freeze

**5.1** The Government has not provided any support to freeze council tax for 2016/17 but has indicated that the freeze grants for 2011/12, 2013/14, 2014/15 and 2015/16 have been built in to the spending review baseline. Whilst the trigger for local referenda on council tax increases will remain

at 2% for 2016/17, the Secretary of State subsequently announced in his statement to Parliament 8 February that he would allow any shire district council to charge a de-minimis £5 more a year in council tax without triggering the referendum. At Wyre, the annual shortfall in income of £568,749 resulting from the council tax freeze, will continue to be financed using the new homes bonus received in respect of the 2011/12, 2012/13 and 2013/14 financial years up until the 2021/22 financial year when only £394,433 remains in the reserve. Ultimately, the total shortfall met by the reserve will be approximately £3.8m.

### New Homes Bonus

- 5.2** The New Homes Bonus was introduced to provide a clear incentive to local authorities to encourage housing growth. Currently, this equates to the average Band D council tax of £1,484 for every new home and each year's grant is paid for 6 years. The scheme has resulted in additional income for Wyre of £271,597 in 2011/12, £418,966 in 2012/13, £785,403 in 2013/14, £1,203,464 in 2014/15, £1,823,719 in 2015/16 and there has been an allocation in respect of the 2016/17 financial year of £2,295,955. It is worth stating that whilst the Government set aside monies to fund the New Homes Bonus in year 1 (2011/12), in the following four years only £250 million was allocated with the remainder of any funding being met from a reduction in formula grant. In 2012/13 additional funding of £182 million was required over and above the initial £250 million, rising to £418million in 2013/14 and £666m in 2014/15. As the New Homes Bonus is effectively being financed by reductions in formula grant, the New Homes Bonus from the 2014/15 financial year has been included to compensate for the loss of formula grant. Whilst the Government has confirmed that the New Homes Bonus will continue for 2016/17 they are consulting on changes to the scheme with a view to freeing up resources to be recycled to support authorities with particular pressures, such as adult social care. Changes proposed would be effective for payments in 2017/18 onwards including existing allocations. Consequently, it has been assumed that awards announced to date will no longer be honoured for a 6 year period, reducing the length of payment to 4 years, and no further New Homes Bonus receipts have been anticipated for 2017/18 onwards.

### **5.3** Localisation of Support for Council Tax

Members will be aware that with effect from 2013/14 the national Council Tax Benefit scheme was abolished, and individual local authorities were required to introduce a Localised Council Tax Support (LCTS) scheme. Support for Council Tax is now offered as a reduction within the Council Tax system and regulations set the roles, allowances and awards for claimants of state pension credit age so that they do not experience a reduction in support as a direct result of the reform. The replacement scheme also aimed to support the public spending deficit reduction by reducing the amount available to local authorities to spend by 10%. Although there is no separately identifiable amount for localised council tax support at local authority level since it was subsumed within the Revenue Support Grant and Baseline Funding, applying the indicative start-up funding allocation of £8,077,777 awarded in 2013/14, and

estimating the value of localised council tax support awarded in 2016/17 to be £8.486m, there will be an unfunded gap of approximately £408,223 to be met by each of the precepting bodies. It is also worth remembering that the Council suffered a reduction in grant funding of £1.022m or 13.6% in 2014/15. The Council agreed at its meeting 22 October 2015 to continue to set the additional maximum percentage contribution from working age claimants to be no more than 8.5%. Wyre's share of the estimated cost of LCTS in 2016/17, after the 8.5% contribution, is £47,354.

### Efficiencies

- 5.4 As part of the annual budget cycle, and in determining the Medium Term Financial Plan (MTFP), the Council continues to identify actions that will improve efficiency. This assists the Council in effectively prioritising its finite resources and replaces the traditional 'salami slicing' exercise whereby essential budgets are routinely reduced in an attempt to address the problem.
- 5.5 The anticipated efficiency achievements for the 10 years ending 31 March 2016 are £7.6m, an average of £762,000 pa. Appendix 1 shows the anticipated savings for 2015/16 and the targets for future years. Efficiency savings assist the delivery of the Council's corporate priorities supporting the continued improvement of services for our residents.

### Reserves and Balances

- 5.6 The requirement for financial reserves is acknowledged in statute. The Local Government Finance Act 1992 requires billing and precepting authorities to have regard to the level of reserves needed for meeting estimated future expenditure when calculating the council tax requirement. These existing safeguards are further reinforced through the External Auditor's statutory responsibility to issue a conclusion on whether an audited body has proper arrangements for securing value for money with one of the two criteria being, "Securing financial resilience – looking at the Authority's financial governance, financial planning and financial control processes". One aspect of this is the Council's policy on the level and nature of reserves and balances.
- 5.7 Earmarked reserves are created to meet 'known or predicted requirements'. Provisions are required where an event has taken place that gives the Authority an obligation requiring settlement but where the timing of the transfer is uncertain. Unallocated or general reserves/balances are available to support budget assumptions.
- 5.8 Balancing the annual budget by drawing on general reserves may be viewed as a legitimate short-term option but where general reserves are deployed to finance recurrent expenditure this should be made explicit by the Section 151 officer. **Members must note that the continued use of balances is not sustainable and a significant re-prioritisation exercise, whereby all services are subject to a critical evaluation, must be undertaken to alleviate serious financial problems in future years. The financial projections, included at Appendix 2, indicate that further annual savings will be required in future years.** It is

important that the Council considers its future budgets and continues to monitor closely the MTFP. The Council's minimum prudent level of balances, calculating the requirement at approximately 5% of net expenditure before other government grants (£710,654) together with the element of the reduction in business rates that Wyre must meet before receiving any safety net payment (£234,008 in 2016/17), is now £944,660. The level of general balances also supports contingency planning, recognises anticipated future financial pressures on revenue resources, including the volatility associated with the Business Rate Retention scheme, primarily as a result of major businesses closing or moving out of the area and successful rating appeals, and anticipates the difficulties of securing immediate savings.

- 5.9** In anticipation of future 'known or predicted requirements', and in accordance with the Council's Policy on the Level of Reserves and Balances, contributions to earmarked reserves continue. The Capital Investment Reserve will need additional contributions if we are to continue to finance capital investment and avoid future borrowing. Future contributions will be made as revenue resources are identified. The Non-Domestic Rates Equalisation Reserve was created in 2013/14 with further top ups being made in subsequent years funded by Section 31 Grant for discretionary reliefs, net of the levy. Following the audit of the 2014/15 final accounts, the 2014/15 actual contribution to the reserve has been used to support the 2016/17 spending plans. The remaining earmarked reserves, which can be seen at Appendix 4, are considered to be adequate and of an appropriate value both in respect of the forthcoming financial year and for the period of the MTFP.

#### Robustness of the Budget

- 5.10** The Local Government Act 2003 includes a requirement for the Chief Financial Officer to report upon the robustness of the estimates and adequacy of reserves when the authority is considering its council tax requirement. Spending plans ultimately impact on the level of council tax although the extent of any increase is externally influenced by Government policy through, for example, initiatives such as the introduction of local referenda to veto excessive council tax increases and the award of funding to support a council tax freeze. The MTFP assesses the affordability of revenue and capital plans and the adequacy of reserves. As with all plans the risks increase with time and the financial position in future years is not as certain as it is in 2015/16. Having assessed the significance and likelihood of risks associated with the budget assumptions (see Appendix 5 to the MTFP agreed by Cabinet 9 September 2015), the reserves and balances detailed in the appendices are considered adequate to support the delivery of the Council's Business Plan.

#### Precepts

- 5.11** The parish precepts determined at parish meetings are shown at Appendix 6. These amounts will be shown separately on each Parish Council Tax Payer's bill. Appendix 6 also reflects the Parish and Unparished Area Taxbase approved in accordance with the Scheme of

Delegation to Officers.

- 5.12** Recognising the significant reduction in government grant, the Council has previously determined not to pass on support to Parish and Town Councils to mitigate any reduction in their taxbase due to the Localised Council Tax Support scheme.

## **6. Borrowing Limits**

- 6.1** The Prudential Code for Capital Finance aims to ensure, within a clear framework, that the capital investment plans of local authorities are affordable, prudent and sustainable. The Code sets out indicators that must be used and requires local authorities to set relevant limits and ratios, which are included at Appendix 7. These are not designed to be comparative performance indicators, however, and the use of them in this way would be likely to be misleading and counter-productive.
- 6.2** Members will recall that previously expenditure financed from borrowing was subject to a 4% charge which diminished annually and was ultimately spread over more than 50 years. The new arrangements for calculating Minimum Revenue Provision (MRP), which were introduced during 2007/08, required the period over which MRP is charged to be aligned with the estimated life of the asset. This could result in an increased MRP charge if expenditure, such as that on playground equipment, is spread over say 15 years and the council can choose to arrange its MRP policy as to ensure that assets or other expenditure having the shortest “charge” life are determined as being financed from capital receipts or other available resources.
- 6.3** Central government support for borrowing through Revenue Support Grant was replaced back in 2006/07 by capital grant. The Council received an allocation of £792,551 for Disabled Facilities Grants (DFGs) in 2015/16 from the Better Care Fund provided by the Department of Health via Lancashire County Council who act as the accountable body. The aim of the Better Care Fund is to bring about integration of health and social care and plans for use of the pooled monies must be signed off by the Health and Wellbeing Board. The Council has not yet been notified of the 2016/17 allocation but £792,000 has been assumed at this stage. It is also hoped that Cell Eleven (Coastal Monitoring) Environment Agency funding will continue beyond 31 March 2016 but at this stage no provision has been included.
- 6.4** Funding for the Rossall Coast Protection Scheme was confirmed by the Environment Agency 14 October 2013 and is estimated at £63.2m.
- 6.5** Capital funding for the Fleetwood Seafront improvements from the Coastal Communities Fund was announced by the Department for Communities and Local Government 7 March 2014 at £1,473,242, with a further £50,000 revenue funding being notified 17 December 2015 for 2015/16 from the Coastal Revival Fund.

## **7. Capital Budget 2015/16 and Programme 2016/17 onwards**

- 7.1** Capital schemes are assessed in accordance with the Council’s priorities

as reflected in the Business Plan and the criteria specified in the Medium Term Financial Plan. The building maintenance condition surveys indicate a total requirement over the next 3 years of just under £4m, including fixtures and fittings for the Marine Hall and Thornton Little Theatre and a number of other schemes where further work is required before a recommendation can be made to proceed. The limited capital funds that are currently available has resulted in only one capital growth bid being submitted for consideration by Overview and Scrutiny relating to building improvements totalling £427,400 in 2016/17. The committee agreed, at their meeting 7 December 2015 that the bid should be supported and noted that the projects listed were simply the current priorities, which could change in response to currently unpredicted changes in circumstances. The expenditure is also subject to anticipated capital receipts being received. The Revised Capital Budget for 2015/16 and the Capital Programme 2016/17 onwards are shown in detail at Appendices 8 and 9. A summary by Portfolio for 2015/16 and 2016/17 is reflected in the table below. The Revised Capital Budget for 2015/16 reflects the third quarter review of spending as reported in the TEN Performance Management System and approved by Cabinet at their meeting on 20 January 2016.

- 7.3** A key requirement of the MTFP is the long term planning of capital resources and the Capital Programme. The Prudential Code requires chief finance officers to have full regard to affordability when making recommendations about the local authority's future capital programme. Such consideration includes the level of long-term revenue commitments. Indeed, in considering the affordability of its capital plans, the authority is required to consider all of the resources available to it, including those estimated for the future together with the totality of its capital plans and revenue forecasts for the forthcoming year and the following two years. With effect from the 2007/08 financial year, the Council became reliant on borrowing to support capital expenditure. Long term borrowing totalling £3.552m at 31 March 2013 has been drawn down and this value is used to calculate the Minimum Revenue Provision (MRP) which must be reflected in the revenue estimates. The estimated debt charges for the 2015/16 financial year of £164,389 (comprising MRP of £95,559 and interest at 4.41% and 4.48% of £68,830 on the two remaining loans) will not reduce until 2024/25 when the 15 year lifespan assets drop out of the MRP calculation.
- 7.4** In an effort to reduce the Council's reliance on borrowing, and following concerns about the sustainability of continuing to borrow in the current economic climate, a Capital Investment Reserve was created as part of the 2009/10 closure of accounts. This funding will be used to meet known commitments, including the repair and maintenance of Council assets and provide resources for future capital investment. The Capital Investment Reserve is reviewed as part of the annual budget preparation, the updating of the MTFP and as part of the closure of accounts process with a view to minimising ongoing revenue costs. After funding existing commitments and capital growth bids for 2016/17, the projected balance on the Capital Investment Reserve at 31 March 2017 is expected to be £67,304. As the capital investment for the health and fitness equipment at Poulton and Thornton Leisure Centres is recovered from the YMCA the reserve increases by £99,590 annually up to 2019/20 when £82,990 is reimbursed.

- 7.5** The Council's financial plans support the delivery of strategic plans for assets either through investment, disposals, rationalisation or more efficient asset use. Financial plans show how the financial gap between the need to invest in assets and the budget available will be filled over the long term (for example through prudential borrowing, rationalisation of assets, capital receipts, etc.). In order to avoid significant additional financial pressures, further capital disposals will be required to generate capital receipts to meet capital commitments.

## Annual Efficiency Statement

As part of the annual budget cycle, and in determining the Medium Term Financial Plan, the Council has for a number of years identified actions that will improve efficiency, quantifying the estimated expected gains.

Efficiency gains are achieved in the following ways:

- Reduced inputs (money, people, assets, etc.) for the same outputs
- Reduced prices (procurement, labour costs, etc.) for the same outputs
- Additional outputs or improved quality (extra service, productivity, etc.) for the same inputs; and
- Improved ratios of cost/output (unit costs, etc.)

The diagram below sets out a schematic overview of key efficiency tools/facilitators of efficiency that can be used to achieve greater efficiency.

Whilst there is no longer a statutory requirement to produce an Annual Efficiency Statement, the Council is committed to delivering savings year on year to ensure the continued delivery of key services and the achievement of its priorities as reflected within the Business Plan. The table overleaf indicates the efficiency savings achieved to date and those planned for the three-year period commencing 2015/16.

## Health and Community Engagement Portfolio

The Council's overall priorities are:-

- Promote economic, housing and employment growth.
- Attract investment to Wyre and support businesses to survive, grow and prosper.
- Maximise Wyre's tourism opportunities.
- Protect our communities from flooding.
- Facilitate clean energy opportunities.
- Improve the health and wellbeing of our communities.
- Support older people to remain independent.
- Explore different service delivery models.
- Encourage community ownership and a shared responsibility for improving our neighbourhoods.
- Explore commercial opportunities.
- Improve the return from our assets.
- Provide cost effective, quality services.

Services which contribute towards delivering our Health and Community Engagement Portfolio theme comprise:-

<b>2014/15 Actuals £</b>		<b>2015/16 Original Estimate £</b>	<b>2015/16 Revised Estimate £</b>	<b>2016/17 Original Estimate £</b>

Within the Business Plan 2015 to 2019 (April 2016 Update) our actions include:

- We will support Elected Members and Parish and Town Councils to improve neighbourhoods through empowering communities and encouraging active citizenship.
- We will explore external funding opportunities to help deliver future priorities.

Performance indicators, linked to the Health and Community Engagement Portfolio, are contained within the TEN Performance Management System and individual Service Plans. Performance against these projects and targets is regularly reported.

## Street Scene, Parks and Open Spaces Portfolio

The Council's overall priorities are:-

- Promote economic, housing and employment growth.
- Attract investment to Wyre and support businesses to survive, grow and prosper.
- Maximise Wyre's tourism opportunities.
- Protect our communities from flooding.
- Facilitate clean energy opportunities.
- Improve the health and wellbeing of our communities.
- Support older people to remain independent.
- Explore different service delivery models.
- Encourage community ownership and a shared responsibility for improving our neighbourhoods.
- Explore commercial opportunities.
- Improve the return from our assets.
- Provide cost effective, quality services.

Services which contribute towards delivering our Street Scene, Parks and Open Spaces Portfolio theme comprise:-

<b>2014/15 Actuals £</b>		<b>2015/16 Original Estimate £</b>	<b>2015/16 Revised Estimate £</b>	<b>2016/17 Original Estimate £</b>

Within the Business Plan 2015 to 2019 (April 2016 Update) our actions include:

- We will restore the Mount and its Gardens in Fleetwood.
- We will develop a programme of work to promote healthy choices and healthier lifestyles to keep people well through better use of our leisure centres, recreational facilities, parks and open spaces.
- We will explore external funding opportunities to help deliver future priorities.

Performance indicators, linked to the Street Scene, Parks and Open Spaces Portfolio, are contained within the TEN Performance Management System and individual Service Plans. Performance against these projects and targets is regularly reported.

Actual expenditure and income figures for 2014/15 and updated projections for each of the service areas follow.

**MANPOWER BUDGET**

In 2015/16 the Council's Budget included 341.68 (full-time) equivalent staff and in 2016/17 it has made provision for 334.14. The Council continues to implement service reviews resulting in a reduction in full-time equivalent positions since 2004/05 of 28% contributing significant savings towards the Council's commitment to deliver cost effective services.

2. Estimates of the ratio of financing costs to net revenue stream for the current and future years, and the actual figures for 2014/15 are:

Ratio	0.79%	0.54%	0.54%	0.10%	0.74%	0.79%
-------	-------	-------	-------	-------	-------	-------

The estimates of financing costs include current commitments and the proposals in the budget report.

3. Estimates of the end of year capital financing requirement for the authority for the current and future years and the actual capital financing requirement at 31st March, 2015 are:

	31/03/15 £000 Actual	31/03/16 £000 Estimate	31/03/17 £000 Estimate	31/03/18 £000 Estimate	31/03/19 £000 Estimate	31/03/20 £000 Estimate
Total Capital Financing Requirement (Expenditure less capital grants and use of usable/setaside receipts)	11,739	11,643	11,547	11,451	11,355	11,259

The capital financing requirement measures the authority's underlying need to borrow for a capital purpose.

To ensure that debt over the medium term is only for capital purposes, debt should not exceed in the short term, exceed the Capital Financing Requirement for the previous, current and next two financial years.

4. Estimates of Impact of Capital Investment Decisions on the Band D Council Tax

	2015/16 £ Estimate	2016/17 £ Estimate	2017/18 £ Estimate	2018/19 £ Estimate	2019/20 £ Estimate
Wyre Borough Council Band D Council Tax	180.16	180.31	180.34	180.37	180.42

These forward estimates reflect the impact of future capital programmes, are not fixed and do not commit the Council.
