Report of:	Meeting	Date
Mark Billington, Corporate Director Environment	Licensing Sub-Committee	16 December 2019

Application for a new Premises Licence – 9 Crescent East, Thornton Cleveleys, FY5 3LJ

1. Purpose of report

- 1.1 To assist Members to determine an application submitted under section 17 of the Licensing Act 2003 by Mr Nzar Sultan Naaman, for a new premises licence.

2. Outcomes

- 2.1 That the application for a new premises licence be determined.

3. Recommendation

- 3.1 That Members consider the application and representations and determine the application.

4. Background

- 4.1 On Monday 14 October 2019, the licensing team received a telephone complaint from a resident about noise disturbance arising from the activities at Italian Pizza Hot after 11pm.
- 4.2 A written warning was emailed to Mr Naaman (**Appendix 1**) as there was no licence in place authorising the provision of hot food or drink after 11pm, which is an offence under section 136 of the Licensing Act 2003. Mr Naaman attended the Civic Centre later that day and was given the relevant forms and guidance documents to apply for a licence.
- 4.3 A second complainant contacted the licensing team on Tuesday 22 October to say that noise disturbance was continuing to arise from the premises which were still trading after 11pm.
- 4.4 A final written warning was issued and hand delivered to the premises that afternoon (**Appendix 2**).

- 4.5 The investigation into potential offences committed by the business proprietor by trading after 11pm without a licence is ongoing. This matter could lead to prosecution in the Magistrates Court, particularly if there is compelling evidence that he has continued to trade unlawfully, after being issued with formal warnings.
- 4.6 On Monday 28 October 2019 an application was received from Mr Nzar Sultan Naaman for a new premises licence in respect of 9 Crescent East, Thornton Cleveleys (**Appendix 3**).
- 4.7 The applicant wishes to be open to the public and provide late night refreshment until midnight Sunday to Thursday and until 1 am on Friday and Saturday nights.

5. Key issues and proposals

- 5.1 Section 18(3) of the Licensing Act 2003, as amended, requires the Licensing Authority to hold a hearing to consider an application and any relevant representations, within twenty working days following the end of the statutory twenty-eight day consultation period, which ended on 25 November 2019.
- 5.2 The application was advertised in accordance with Regulations and at the end of the consultation period there were two outstanding representations. One from a local resident and one from Environmental Health. Both raised concerns about the potential for public nuisance should the application be granted in the terms applied for (**Appendix 4**).
- 5.3 The local resident does not want the premises to be open to the public after 11pm due to the noise disturbance that they say has been caused late at night from both customers visiting the premises and the staff.
- 5.4 The Environmental Health Officer does not object to the premises being able to trade until midnight on any day of the week, subject to a number of conditions being added to the licence to mitigate the potential for public nuisance, but will not support the premises being able to trade until 1 am.
- 5.5 During the consultation period, the Police in their capacity as Responsible Authority, agreed with the applicant on a number of additional conditions to be included on the operating schedule, if a licence is granted (**Appendix 5**).
- 5.6 The Planning Authority have confirmed that the premises has the correct consent for use as a hot food takeaway and there are no current planning restrictions on the hours of operation.
- 5.7 There have been no other responses from Responsible Authorities.
- 5.8 A location plan is provided at **Appendix 6**.

5.9 When considering the application Members should take into account the Council’s own Statement of Licensing Policy. The following paragraphs are particularly relevant to this application.

- 10.3 – Conditions etc.
- 14.3 – Prevention of public nuisance
- 14.3.1 – Disturbance by patrons leaving the premises
- 14.3.2 – Takeaways
- 14.3.3 – Noise nuisance
- 14.3.5 – Litter

5.10 Members are also directed to the Statutory Guidance issued under section 182 of the Licensing Act 2003 and in particular the following sections: 9.1, 9.3, 9.37-9.40, 9.42-9.44, 10.8-10.10 and 10.13-10.14 which are reproduced at **Appendix 7**.

5.11 After having regard to all the representations, the council’s Statement of Policy and the Statutory Guidance, the Committee must consider whether granting the application in the terms applied for, would undermine any of the licensing objectives.

5.12 If it is satisfied that granting the application has the potential to undermine one or more of the licensing objectives, it must consider what, if any, steps would be appropriate to secure the promotion of the licensing objectives.

It may take any of the following steps:

- Grant a licence subject to such conditions that the authority considers appropriate for the promotion of the licensing objectives.
- Exclude from the scope of the licence, any of the licensable activities to which the application relates (this can include revising the permitted hours for licensable activities).
- Reject the whole or part of the application.

Financial and legal implications	
Finance	<i>There are no financial implications directly associated with this application.</i>
Legal	<i>Any party to the hearing has the right of appeal to the Magistrates Court within 21 days if they are aggrieved by the decision. The hearing should be conducted following the principles of natural justice and in accordance with the Council’s own hearing procedure.</i>

Dear Sir

I have been advised that the above premises, which you are the registered food business operator, has extended its trading hours until midnight Sun-Thurs and until 1am on Friday and Saturday nights.

Any business which wishes to provide hot food after 11pm, must have a licence granted by the Local Council under the Licensing Act 2003.

Until such time as you have applied for and been granted a premises licence to provide late night refreshment, you must ensure that the premises does not trade after 11pm, including delivering pre-ordered food.

If the premises is found to be still trading after 11pm without a licence, you risk being prosecuted and the maximum sentence for the offence is an unlimited fine and/or up to 6 months imprisonment.

Regards

Licensing

Dear Mr Naaman

Re: Section 136, Licensing Act 2003 - Unauthorised Licensable activity
Italian Pizza Hot

I am writing further to our discussion last week at the Council Offices when I explained that the above premises, which you confirmed was your business, may not lawfully trade after 11pm without authorisation under the Licensing Act 2003.

I have received further complaints this week that your premises is continuing to trade after 11pm and that the noise generated by your staff and customers is causing a nuisance.

You must not provide late night refreshment, including by way of a delivery service between 11pm and 5am without the correct authorisation.

Section 136 of the Licensing Act 2003 creates the offence of carrying on a licensable activity other than under, or in accordance with an authorisation. This offence carries a maximum sentence, on summary conviction, of £20,000 and/or 6 months imprisonment.

A copy of this final warning letter has been given to the Police and I would warn you that trading activity at your premises will be monitored by both Police and Licensing Authority Officers in the coming weeks.

If the premises is found to be operating without a licence again, despite this second warning, you are likely to be reported to the Magistrates for prosecution under section 136 of the Licensing Act 2003.

Yours faithfully

Niky Barrett
Senior Licensing Officer

To whom it may concern

I write in regards to the rejection of a premises license for Italian Pizza Hot.

I have previously made several complaints in regards to this takeaway staying open to late without a license. Also about the level of noise coming from that premises late at night.

I hope that by me writing this rejection my concerns are met and that a license is not given to this takeaway.

If you would like further information regarding this email please do not hesitate to contact me on the above.

REP 2 .

Mr Naar Sultan Naaman

I have been consulted on matters pertaining to the Prevention of Public Nuisance in respect of the application for a premises licence at the Italian Pizza Hot, 9 Crescent East, Thornton Cleveleys.

The premises licence is for late night refreshment for the following hours:-

23.00-24.00 Sunday to Thursday

23.00-0.100 Friday/ Saturday

I have an objection to the extended hours to 1.00am on Friday and Saturday due to the close proximity of the hot food take away to sensitive residential premises and the likelihood of causing noise disturbance.

I would have no objections to this licence application being 23.00-24.00 7 days a week on the condition that the applicant accepts the undernoted conditions for this event. If the applicant does not wish to accept any of the conditions, he must provide reason(s) for this in writing (an email would be acceptable). If no reply is received then it would be assumed all of the conditions have been accepted.

CONDITIONS

The noise level from the premises whilst being used for late night refreshment shall not exceed background level at the nearest residential premises.

No nuisance shall be caused by noise coming from the premises or by vibration transmitted through the structure of the premises.

No light from or on the premises and any other light under the control of the premises shall be provided where that light causes a nuisance to any nearby premises.

Refuse such as bottles shall be disposed of from the premises at a time when it is not likely to cause a disturbance to residents in the vicinity of the premises.

Refuse such as bottles shall be disposed of from the premises at a time when it is not likely to cause a disturbance to residents in the vicinity of the premises.

Where the premises provide food for consumption off the premises, the public area immediately surrounding the premises shall be cleared of waste food, food containers, wrapping etc. at the end of trading on each day. Such refuse shall be placed in a container designed for the storage and disposal of refuse and waste foods which shall be constructed, maintained and located so that access to it by vermin and unauthorised persons is prevented and arrangements shall be made for the regular lawful disposal of their contents,

There shall be no emission from the premises of any offensive smells, which are likely to cause a nuisance.

The Licensee shall ensure that staff departing late at night when the business has ceased trading conduct themselves in such a manner to avoid disturbance to nearby residents

The premise license holder will arrange for litter and cigarette debris dropped in the vicinity of the licensed premise to be collected and removed at the end of operating hours each night.

If you have any enquiries please contact me.

 Lancashire County Council - Produced Under OGL Copyright Licence 100123020

General

9.1 When a licensing authority receives an application for a new premises licence or an application to vary an existing premises licence, it must determine whether the application has been made in accordance with section 17 of the 2003 Act, and in accordance with regulations made under sections 17(3) to (6), 34, 42, 54 and 55 of the 2003 Act. It must similarly determine applications for the grant of club premises certificates made in accordance with section 71 of the 2003 Act, and in accordance with regulations made under sections 71(4) to (7), 84, 91 and 92 of the 2003 Act. This means that the licensing authority must consider among other things whether the application has been properly advertised in accordance with those regulations.

Where representations are made

9.3 Where a representation concerning the licensing objectives is made by a responsible authority about a proposed operating schedule and it is relevant (see paragraphs 9.4 to 9.10 below), the licensing authority's discretion will be engaged. It will also be engaged if another person makes relevant representations to the licensing authority, which are also not frivolous or vexatious (see paragraphs 9.4 to 9.10 below). Relevant representations can be made in opposition to, or in support of, an application and can be made by any individual, body or business that has grounds to do so.

Hearings

9.37 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation and should be allowed sufficient time to do so, within reasonable and practicable limits.

9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

9.39 The licensing authority should give its decision within five working days of the conclusion of the hearing (or immediately in certain specified cases) and provide reasons to support it. This will be important if there is an appeal by any of the parties.

Notification of a decision must be accompanied by information on the right of the party to appeal. After considering all the relevant issues, the licensing authority may grant the application subject to such conditions that are consistent with the operating schedule. Any conditions imposed must be appropriate for the promotion of the licensing objectives; there is no power for the licensing authority to attach a condition that is merely aspirational. For example, conditions may not be attached which relate solely to the health of customers rather than their direct physical safety. Any conditions added to the licence must be those imposed at the hearing or those agreed when a hearing has not been necessary.

- 9.40 Alternatively, the licensing authority may refuse the application on the grounds that this is appropriate for the promotion of the licensing objectives. It may also refuse to specify a designated premises supervisor and/or only allow certain requested licensable activities. In the interests of transparency, the licensing authority should publish hearings procedures in full on its website to ensure that those involved have the most current information.

Determining actions that are appropriate for the promotion of the licensing objectives

- 9.42 Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.
- 9.43 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.
- 9.44 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. While this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters. As with the consideration of licence variations, the licensing authority should consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination.

10. Conditions attached to premises licences and club premises certificates

Imposed conditions

- 10.8 The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. In order to promote the crime prevention licensing objective conditions may be included that are aimed at preventing illegal working in licensed premises. This provision also applies to minor variations.
- 10.9 It is possible that in some cases no additional conditions will be appropriate to promote the licensing objectives.

Proportionality

- 10.10 The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided. For example, conditions should not be used to implement a general policy in a given area such as the use of CCTV, polycarbonate drinking vessels or identity scanners where they would not be appropriate to the specific premises. Conditions that are considered appropriate for the prevention of illegal working in premises licensed to sell alcohol or late night refreshment might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check is retained at the licensed premises. Licensing authorities and other responsible authorities should be alive to the indirect costs that can arise because of conditions. These could be a deterrent to holding events that are valuable to the community or for the funding of good and important causes. Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.

Hours of trading

- 10.13 The Government acknowledges that different licensing strategies may be appropriate for the promotion of the licensing objectives in different areas. The 2003 Act gives the licensing authority power to make decisions about the hours during which premises can conduct licensable activities as part of the implementation of its licensing policy statement. Licensing authorities are best placed to make decisions about appropriate opening hours in their areas based on their local knowledge and in consultation with responsible authorities. However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application.
- 10.14 Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.

Hi Niky

Thank you for your reply and the information you have provided.

Regarding our recent telephone conversation where you asked for me to provide further details of noise coming from the restaurant, Italian Pizza Hot.

I can confirm that the noises are still ongoing at the takeaway.

It's a continuing noise of slamming car doors and staff talking loudly outside the premises. This is the problem up until 1:30am.

Also I will not be attending the committee meeting on 16th December. I feel that it could cause problems for myself if the owner of the takeaway knows my identity.

However I hope my concerns are raised in the meeting and action is taken to stop this premises from opening later than the 11pm limit.

I would like to be updated on the outcome of the meeting when it is finalised please.

Also if you require any further information from me please do not hesitate to contact me.

Kind Regards

K
