

Schedule of Executive Decisions

Wyre Borough Council's Schedule of Executive Decisions lists the “**key decisions**” that we expect the Council's Executive (the Cabinet and individual Portfolio Holders) to take over the coming months and any decisions that they will take **in private** because they will be discussing **confidential** or **exempt information**.

Details of all such decisions are published on the Schedule at least 28 days before the decision is due to be taken, as required by the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012. Where it is not possible to give 28 days' notice of a key decision that is to be made or a decision that must be taken in private, Cabinet or the Portfolio Holder will publish the reason(s) why.

In the spirit of open government, we may also include other upcoming executive decisions that do not require 28 days' notice in this Schedule.

If you want further details about any of the impending executive decisions or if you wish to make representations to the decision maker before the decision is taken, you will find the name and details of the council officer that you need to contact in the right-hand column.

What is a “key decision”?

A key decision is an executive decision that is likely to result in “*significant expenditure or savings in relation to the council's budget for the service or function to which the decision relates*” (“significant” has been defined as £100,000 or more) and/or likely to be “*significant in terms of its effects on communities living or working in an area comprising of two or more wards of the borough*”.

What is confidential or exempt information?

Confidential information is any information that the council is *not permitted to* disclose to the public for legal reasons.

Exempt information includes things like information about a person or information that could reveal an individual's identity. It can also include details of consultations or negotiations that relate to labour relations and information connected with the prevention and detection of crime. All the different categories of exempt information are described in Part 4.02 of the council's Constitution and Cabinet *may decide to* exclude the public from meetings if it is likely that exempt information would be disclosed.

For any other information about the Schedule of Decisions or to make representations for a decision that we anticipate will be taken in private to be considered in public, e-mail duncan.jowitt@wyre.gov.uk or write to Democratic Services, Civic Centre, Breck Road, Poulton-Le-Fylde FY6 7PU.
