Subject: Valiants Farm - Licencing Act 2003 - Application for new premises licence 2003

Dear Sir,

I feel it necessary to write this email to support the above application.

Having lived in Out Rawcliffe Village for many years I totally agree that Valiants is a great venue for all types of events. The surrounding fields are idyllic for outdoor weddings, with views that create a haven of tranquillity.

Valiants Farm sits on the out skirts of the village and it will bring life back to what was once a hive activity.

There is no heart to the village since the loss of the school and no place for the residence to meet socially in relaxing surroundings.

I have been to all the previous events at Valiants Farm, and they are extremely well organised, there is security in large numbers, transport is made available for people who do not live locally.

The organisation is outstanding and a credit to the owner, the safety of his guest is paramount, and no one feels unsafe.

During the uncertain times during the pandemic having a place to relax and events to look forward to would certainly give peoples mental health a boost knowing there was something taking place in our village.

I fully support this application and hopefully you will see the advantages it will bring to the area.

Yours faithfully
Miss L Chilvers
