

DRAFT OVERVIEW AND SCRUTINY WORK PROGRAMME TOPICS 2017-18

PROPOSED TASK GROUPS	NOTES and PROVISIONAL DATE
Digital transformation	<p>To consider how the council might become more digital and so more paperless, with the benefit of potential cost savings.</p> <p>This might include whether members/ officers could use iPads or equivalent hardware in order to access/ share agendas and other info wherever possible.</p> <p>It would be likely that savings on paper, printing, printer maintenance, etc. might well outweigh the costs of a more digital set up.</p> <p>This approach has been implemented at some other local authorities and has resulted in significant savings. It is also better for the environment.</p>
Maximising the return from our assets	<p>Referred to as a Key Project in Business Plan 2015 – 2019 (2017 update) under 'Engaging Wyre'.</p> <p>To reflect Wyre's increasingly commercial approach.</p>
