Review Of Effectiveness Of Internal Audit
--

1. Purpose of report

- 1.1 This report relates to the requirement for the authority to undertake an annual review of the effectiveness of the system of internal audit.

2. Outcomes

- 2.1 Evidence that the council has an effective internal audit function.

3. Recommendations

- 3.1 The Committee is asked to note the results of the June 2017 review of the effectiveness of Internal Audit detailed in Appendix 1.

4. Background

- 4.1 The Accounts and Audit Regulations 2015 requires the relevant body, at least once a year, to conduct a review of the effectiveness of its system of internal audit. The purpose behind this is to ensure that the opinion in the annual audit report issued by the Head of Governance / Chief Audit Executive (CAE) can be relied upon as a key source of evidence in the Annual Governance Statement.
- 4.2 From the 1 April 2013 Public Sector Internal Audit Standards (PSIAS) replaced the Code of Practice for Internal Audit in Local Government. In Local Government these standards are mandatory for all principal local authorities subject to the Accounts and Audit Regulations 2015. The PSIAS were re-issued in March 2017 with minor amendments.
- 4.3 To accompany the PSIAS an 'application note' has been produced by the Chartered Institute of Public Finance and Accountancy (CIPFA) to give guidance on applying the standards. The application note is no longer simply guidance, however, but constitutes 'proper practices' alongside the PSIAS and it includes a checklist for measuring the performance of Internal Audit against the standards as part of the quality assurance and improvement programme.

4.4 The PSIAS state that an external assessment must be conducted at least every five years by a qualified, independent assessor or assessment team from outside the organisation. External assessment can be in the form of a full external assessment, or a self-assessment with independent external validation. A decision has been made by the majority of the Lancashire Districts to continue with the annual self-assessment completed by the CAE and for that annual self-assessment to be independently verified via peer review. Wyre's peer review is scheduled to take place in March 2018 and is one of the last reviews being undertaken in the five year period specified.

5. Key issues and proposals

5.1 The Head of Governance (CAE) has assessed the effectiveness of internal audit using the recommended checklist contained within CIPFA's Local Government Application Note. This has subsequently been scrutinised by the Head of Finance (Section 151 Officer).

5.2 One action was identified during the last review in May 2016, relating to documenting in the final audit report when VFM work has been completed. It has been agreed with the Senior Auditor that the final report will state when VFM work has been carried out. There are no further actions that require attention following this assessment. The results of the review are attached at Appendix 1.

It incorporates the requirements of the PSIAS as well as the Application Note in order to give comprehensive coverage of both documents.

Please tick to indicate Y = YES, P = PARTIAL, N = NO. Evidence for each response must be provided and reasons for any partial or full non-conformance should be given, together with any compensating measures in place or actions in progress to address this.

The External Auditors are also comfortable with the internal audit resource available.
LGAN	Has the CAE planned the deployment of resources, especially the timing of engagements, in conjunction with management to minimise abortive work and time?	Y			At the start of the audit year the Senior Auditor will agree timings with each Head of Service.
