Authorities Monitoring Report 2020-2021
--

1. Purpose of report

- 1.1 The purpose of the report is to consider and recommend the content of the Authorities Monitoring Report 2020-2021.

2. Outcomes

- 2.1 Compliance with Section 113 of the Localism Act 2011 which requires the publication of an Authorities Monitoring Report.

3. Recommendation

- 3.1 That subject to the inclusion of any minor editorial alterations, the Authorities Monitoring Report 2020-2021 as set out in Appendix 1 be approved by Cabinet and made available for public inspection.

4. Background

- 4.1 The preparation of Annual Monitoring Reports ceased on 15 January 2012 when section 113 of the Localism Act came into force. This removed the requirement for Annual Monitoring Reports to be made to the Secretary of State. However, councils are still required to prepare reports, now known as Authorities Monitoring Reports. The Act requires councils to publish this information direct to the public at least annually in the interests of transparency.
- 4.2 The Authorities Monitoring Report is the main mechanism for assessing the performance and effects of the adopted Local Plan. It forms a critical evidence document for the Local Plan for Wyre Council.

4.3 This is the 17th Authorities Monitoring Report for Wyre Council and the purpose therefore follows:

- To monitor key characteristics of Wyre as a wider contextual setting for Local Plan monitoring;
- To assess the planning policies of the Adopted Local Plan 2011-2031 (Adopted February 2019), including their effectiveness, and the impacts they have on the Borough; and
- To consider progress in terms of preparation of any planning policy documents set out in the Local Development Scheme (LDS) and any 'real time' subsequent updates on the council's website.

5. Key issues and proposals

5.1 The demographic structure of Wyre poses issues for the future. In particular, the ageing population, in-migration and projected population growth have implications for housing and provision of services.

5.2 The Wyre Local Plan covers a 20 year period – 2011 to 2031 and was adopted on 28 February 2019. Policy SP1 requires the delivery of a minimum of 9,200 dwellings within the plan period, which translates to an annual requirement of 460 dwellings.

5.3 There has been 605 housing completions with 151 accounting for affordable housing and the remaining 454 as market housing.

5.4 47% of new dwellings approved are within 1km of a GP surgery.

5.5 78% of new dwellings approved are within 1km of a primary school.

5.6 27% of new dwellings approved are within 1km of a secondary school.

5.7 59% of new dwellings approved are within 1km of an existing employment area (EP2).

5.8 61% of new dwellings approved are within 1km of town, district, local and neighbourhood centre (EP4).

5.9 There has been 0.1ha of employment land take up in existing employment areas and there is 32.34ha of available employment land on allocated sites.

5.10 The average ground floor vacancy rate across town centres has risen slightly (by 0.77%) to 8.75%. The highest vacancies remain in Fleetwood (14.51%), but this is a slight decrease from 15.63% in 2019/20.

5.11 There has been minimal loss (0.082ha) of green infrastructure owing to development and 8.08ha of green infrastructure (including public open space) has been provided through new development.

5.12 Total recorded crime has decreased significantly (-12%) from the previous year. Reductions in violence against the person (-9%) and significant reductions in vehicle offences that have seen a 49% decrease. Whilst there have also been decreases in sexual offences (-15%) and theft (-28%). Criminal damage and arson has increased by 3%.

5.13 There remains just one Air Quality Management Area (AQMA) in Wyre.
