<b>Overview and Scrutiny Work Programme 2022/2023 – update and planning report</b>
--

## **1. Purpose of report**

- 1.1** To update the Overview and Scrutiny Committee about the Overview and Scrutiny Work Programme 2022/23.

## **2. Recommendations**

- 2.1** That the report be noted.
- 2.2** That the committee consider a short, concise topic for potential review owing to the delay of the Tourism Corporate Strategy Task Group as identified in the Work Programme.

## **3. Current and completed work**

### **3.1 Tackling Youth Anti-Social Behaviour (ASB) in Wyre Task Group**

Four meetings of the task group have been held, the last meeting being on Tuesday 12 July 2022 where the group interviewed expert witness Inspector Martin Wyatt, Lancashire Constabulary. Members asked several questions surrounding police officer patrols, reporting of youth anti-social behaviour, responding to youth anti-social behaviour and areas for improvement.

In addition, the group have produced a questionnaire for Parish and Town Councils and Wyre Borough Ward Councillors. The purpose of this questionnaire is for the task group to gain a better understanding of the local impact of youth anti-social behaviour.

The next meeting of the Tackling Youth ASB Task Group is to be confirmed.

### **3.2 Tourism Corporate Strategy Task Group**

The scoping document is in development and officers are waiting on further information from Marketing Lancashire about the Lancashire Tourism Strategy. Therefore, it is suggested that this review be paused for a short time and updates will be communicated to the committee accordingly.

### **3.3 Leisure Activity Provision Task Group**

At the last meeting, members asked for an updated timetable for the KKP leisure review. Democratic Services will provide a verbal update at the Overview and Scrutiny Committee meeting on Monday 18 July 2022.

### **3.4 Annual Update from the Lancashire and South Cumbria Integrated Health and Care System (NHS)**

It is suggested that the annual update from the Lancashire and South Cumbria Integrated Health and Care System be postponed until the October meeting of the Overview and Scrutiny Committee. Owing to the ongoing pressures of the process of transferring to the Integrated Care Board from 1 July 2022 with a number of key roles being recruited and some further discussion about the place boundaries. This will allow a more accurate update to come before members.
