Deliver a programme of work to promote healthy choices and healthier lifestyles to keep people well		Wyre Great Outdoor Programme promotes the health and wellbeing activities including social rides and wellbeing through nature. The Wyre adult weight management continues to grow successfully as we now work with four partners to deliver programmes to support adults who want to lose weight and maintain the weight loss. The PASTA children's weight management programme has also worked in two primary schools in the Fleetwood area to provide fun physical activities and cooking sessions with 10 families. The feedback has been excellent from the families. Wyre Wheels continues to attract over 20 participants each week at Memorial Park. Arts and Health activities have also taken place at Knott End and Cleveleys libraries, as well as Over Wyre Medical centre. Digital inclusion sessions were also delivered with the Torrentum social prescribing team.

Work to deliver against Social Housing Decarbonisation Funding has begun on Regenda Housing Stock in Fleetwood with the completion of 20 measures. Working with Cosy Homes in Lancashire (CHIL) and using the Parity Software to identify Wyre homes that could potentially benefit from retrofit measures 5,000 homes have been identified and mailed this month. These homes will be encouraged to take up measures. We are working on the paperwork and procurement of a new CHIL provider with Lancashire LAs, this is anticipated to take place next year. Following an opportunity to bid for Contain Outbreak Management Funding (COMF) a bid was submitted proposing work with Red Rose Energy to deliver energy efficiency and domestic carbon saving advice. We expect to hear if the bid is successful mid-July.</p>
