## Calendar of Meetings 2023/24

## 1. Purpose of report

1.1 To publish the programme of meetings involving councillors for 2023/24.
2. Outcomes
2.1 An effective democratic decision making process.
3. Recommendation
3.1 That the Calendar of Meetings for 2023/24, attached as Appendix 1, be noted.
4. Background
4.1 Paragraph 2 of Part 4.01 of the Constitution states that:
"Ordinary meetings of the Council will take place in accordance with a programme published by the Chief Executive, following consultation with the Group Leaders."
4.2 The programme of meetings for 2023/24 follows a broadly similar pattern to the programme for the current year.
5. Key issues and proposals
5.1 The frequency, times and dates of each meeting are listed in Appendix 2. Any adjustments to the previous pattern are referred to in the text.

| Financial and legal implications |  |
| :--- | :--- |
| Finance | The number of meetings in 2023/24 is proposed to be the <br> same as in 2022/23 so there will be no additional financial <br> implications. |
| Legal | The proposed schedule of meetings meets with the <br> requirements of the law and the Council's constitution. |

## Other risks/implications: checklist

If there are significant implications arising from this report on any issues marked with a $\checkmark$ below, the report author will have consulted with the appropriate specialist officers on those implications and addressed them in the body of the report. There are no significant implications arising directly from this report, for those issues marked with a x.

| :--- | :---: |
| community safety | $\mathbf{x}$ |
| equality and diversity | $\mathbf{x}$ |

If the decision(s) recommended in this report will result in the collection and processing of personal data for the first time (i.e. purchase of a new system, a new working arrangement with a third party) a PIA will need to have been completed and signed off by Data Protection Officer before the decision is taken in compliance with the Data Protection Act 2018.
