**COU93      Questions "On Notice" from councillors**

The following questions were submitted by Councillor Lady Atkins under Procedure Rule 12.1:

1. *Why are Keyworker Homes delaying completion of the contract for the redevelopment of the Garstang Community Centre? Could I be given an indication when this would happen?*
2. *Is the responsible Portfolio Holder aware of the increasing concerns in Garstang at the delays in proceeding with the redevelopment of the Garstang Community Centre and what does he propose to do to allay those concerns?*

The Resources Portfolio Holder (Cllr A Vincent) said in response:

- That Keyworker Homes had given a number of reasons for the delay in completing the purchase of this site from the Council, most of which were covered by legal privilege, but they had recently indicated that they would be ready to exchange contracts soon;
- That the Council had now set a deadline of 31 May 2018 for the exchange of contracts and the purchasers had indicated they would beat that deadline;
- That the delays in completing the sale had been frustrating and the Council had used its best endeavours to speed up the process;
- That if the exchange of contracts had not taken place by the specified deadline the Council would have to consider re-marketing the site.
- That the latest information available suggested, however, that it would be possible to exchange contracts with Keyworker homes by the end of May, which would enable the sale to be completed a couple of months after that.
