<p><b>Application for the variation of the Premises Licence - The Glasshouse, 6 Bispham Road, Cleveleys, Lancashire, FY5 1DG</b></p>
--

**1. Purpose of report**

- 1.1 To provide members with information to assist them at a hearing to determine an application for the variation of a premises licence under the provisions of the Licensing Act 2003.

**2. Outcomes**

- 2.1 Determination of the variation application for The Glasshouse, made by the Premises Licence Holder, NewMetro Limited.

**3. Recommendation**

- 3.1 That members consider the application for the variation of the premises licence in respect of The Glasshouse, 6 Bispham Road, Cleveleys, FY5 1DG.

**4. Background**

- 4.1 The initial premises licence PL(A)075 was first granted in November 2005 and operated under the trading name of The Lime Lounge. Since that time there have been a number of changes to the business trading name, Premises Licence Holder and, Designated Premises Supervisor. The last change was on the 24<sup>th</sup> May 2017 when NewMetro Limited took over as the Premises Licence Holder from Last Drop Management Limited and opened the business as the Glasshouse which is currently a bar/restaurant.
- 4.2 The premises is currently operating on the reduced licensing hours that came into force in December 2012 when the premises which was then operating as the Lime Lounge was taken to review. However it should be noted the current owners of the Glasshouse NewMetro Limited had no

connection with the running of the business at the time of the review.

**4.3** The current licensable activities are permitted as follows:

Live Music, Recorded Music and Dance all indoors  
Friday and Saturday 19.00 to 22.30hrs.

Sale of Alcohol On the premises  
Monday to Saturday 11.00 to 23.00hrs  
Sunday 12.00 to 23.00hrs

Opening Times  
Monday to Sunday 10.00 to 23.30hrs

**4.4** The current premises licence holders are NewMetro Limited taking over on 24 May 2017 and the current Designated Premises Licence Holder is Mr Michael John Simmons who was also the Designated Premises Licence Holder when the premises was operating as The Last Drop where he started in Oct 2015.

There is a current application which was received on 4 July 2017 to vary the Designated Premises Licence Holder to Joel Russell Guy. The change from Mr Michael Simmons to Mr Joel Guy will be completed before the variation hearing so therefore Mr Joel Guy will be the current Designated Premises Licence Holder at the time of the committee hearing.

**5. Key issues and proposals**

**5.1** An application has been received by this Authority to vary the licensable activities and opening hours of the premises and replace existing conditions with a new set of proposed conditions. The application form can be seen as Appendix 1 and 2.

The new hours as requested are:

Live Music Indoors  
Monday to Thursday 17.00 to 23.15hrs  
Friday and Saturday 17.00 to 23.45hrs  
Sunday 17.00 to 21.00hrs

Recorded Music Indoors  
  
Sunday to Thursday 17.00 to 23.15hrs  
Friday and Saturday 17.00 to 23.45hrs

Supply of Alcohol On the Premises  
Sunday to Thursday 11.00 to 23.30hrs  
Friday to Saturday 11.00 to 00.00hrs

## Opening Hours

Sunday to Thursday 10.00 to 00.00hrs

Friday and Saturday 10.00 to 00.30hrs

In addition:

Recorded and Live Music New Year`s Eve 17.00 to 00.45hrs

Supply of Alcohol New Year`s Eve 11.00 to 01.00hrs

Opening Times New Year`s Eve 10.00 to 01.30hrs

The application also proposes to replace the current Annex 2 conditions on the current premises licence (Appendix 3) with a new set of proposed conditions. See Appendix 2.

- 5.2** The application was correctly advertised, as required by the Licensing Act 2003 and during the 28 day representation period three representations have been received. Two are from members of the public and a further one from Wyre Council Environmental Health Officer N Clark (see Appendix 4). The representations state that the application, if granted would undermine the licensing objectives-Public Nuisance, Crime and Disorder and Public safety. The representations are attached at Appendix 4.
- 5.3** The representation from Environmental Health Section states that, if granted the extension to premises opening hours and the increased times for the sale of alcohol, recorded and live music could result in noise nuisance and anti-social behaviour to local residents. This opinion has been strengthened by a noise complaint received on 3 July 2017 See Appendix 4 GH03 which stated that live music played on 1 July 2017 was "excessively loud". The Environmental Health Officer advises that the premises is located adjacent to residential properties and in her opinion the potential for public nuisance from the new proposed hours is very likely.
- 5.4** The representation from a resident of Runnymede Avenue, Cleveleys states that the proposed increased hours for live and recorded music does not take into account the potential disturbance to residents who have lived in in their homes for many years, especially as the premises was previously the scene of many incidents of anti-social behaviour.
- 5.5** The representation from a resident of Coronation Road, Cleveleys is concerned about sleep disturbance should the longer proposed hours for live and recorded music be granted, especially as two new residential properties adjoining the premises have been recently created. Residents are also concerned that the previous problems of anti-social behaviour which resulted in the premises (then the Lime Lounge) having a review of the premises licence in 2012, will return should the proposed variation be granted.

**5.6** Consultation has taken place with the police licensing officer and no objections have been raised regarding the new proposed licensing hours and the proposed conditions which have been accepted without any further amendments. See appendix 5.

**5.7** This application has been brought before members to determine the variation application in the light of the representations received.

**5.8** Whilst all the Council’s Statement of Licensing Policy should be taken into account when determining this application, attention is particularly drawn to the following paragraphs:-

- 7.0 General Approach to Licensing
- 14.0 The Licensing Objectives
- 14.3 Prevention of Public Nuisance
  - 14.3.1 Disturbance by patrons leaving the premises
  - 14.3.3 Noise Nuisance

Dear Sir,  
I write regarding the Public Notice in the "GAZETTE" about the License for the "GLASS HOUSE", 6 BISPHAM ROAD, CLEVELEYS.

These premises have been empty for a year or so after being closed by the Police for trouble continually with Drunkenness and Fighting and undisciplines which blowing does not want.

The notice of hours - takes little notice of the Residents who have lived here for many Years - There are Flats directly opposite and also at the side above the shops and a big Housing estate in Bormation Road even Runnymede Ave is only round the corner.

I would ask what Double glazing is in the Windows and what efforts will be made to keep the Doors shut I have no wish to listen to Live or Recorded Music while I eat in my Flat.

Thanking You

The Prevention of harm to children	No	
To prevent Public Nuisance	Yes	<p>I have reviewed the application for a variation of premises licence and my professional opinion as a Local Authority Environmental Health Officer with 25 years' experience in the regulation of noise nuisance and anti-social behaviour, is that <b>extension of the licensed premises opening hours, and authorised timings for the sale of alcohol on the premises and recorded and live music-indoors</b>, could result in noise nuisance and anti-social behaviour to local residents ('sensitive premises').</p> <p>Unfortunately, my concerns have been increased by a complaint received on 3<sup>rd</sup> July 2017 from a resident of Coronation Road, Thornton Cleveleys, alleging that noise from live amplified music played at the newly opened premises last Saturday night (1<sup>st</sup> July) was "excessively loud". A noise complaint case has now been opened with the Council's Environmental Protection Service (EPS).</p> <p>In 2012, whilst the premises was being operated as the 'Lime Lounge', the EPS and Police received, and subsequently verified, complaints of noise and anti-social</p>

		<p>behaviour from local residents. Further to this, a Review of the premises licence was carried out. The outcome of the Review was to reduce the licensed premises' opening hours and the authorised timings for live and recorded music. Since the Review, I understand that the licensed premises has been operated by various businesses, including a coffee house, but that until now, no complaints have been received by the EPS regarding noise or anti-social behaviour connected to the licensed premises.</p> <p>My professional opinion is that as the licensed premises is located directly adjacent to residential properties, with other residential properties very close by, the potential for public nuisance from live and recorded music and anti-social behaviour (by patrons) is very likely, particularly at night. Therefore, I would ask that the current licence opening hours and authorised timings <i>remain unaltered</i> in order that the EPS can carry out the Council's statutory duty to investigate complaints of noise, including the carrying out of unannounced noise monitoring visits.</p> <p>I would also strongly recommend that as soon as possible the premises licence holder installs a suitable noise limiting device for the sound system used at the licenced premises, to be agreed and set by the EPS.</p>
To prevent crime and disorder	No	
Public Safety	No	

<p>Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary and refer to checklist.</p>

The Prevention of harm to children	My 18 month old daughter stays 2 nights, one of which is Friday night. If it is a warm night the window will be open to allow ventilation, so if a live band is playing, for example up till 11.45pm, as requested, this will disturb her sleep greatly.
To prevent Public Nuisance	When the premises was previously open at a later time, there were numerous issues which could potentially spill out onto the street causing disturbance up to midnight or later, shouting / arguing / waiting for taxis. Noise of music, depriving local residents of sleep. Since the premises was last opened, 2 residential apartments have been converted, directly attached to the premises. This needs to be considered.
