NOTES ON THE EXAMPLE COUNCIL TAX BILL

The example bill illustrates an annual bill which would be served on a taxpayer who is the only occupier of a band D dwelling and has elected to pay his bill by Direct Debit over ten months. He is permanently disabled.

1. As a result of having qualifying features in his home to meet the needs of his disability the bill is charged on band C rather than band D. Therefore an allowance to reflect the difference in charge between the two bands is shown on the bill.
2. A discount of 25% (of the band C tax) is allowed because of single occupation of the dwelling.
3. Council Tax regulations require the Council to show the percentage change from year to year for each of the precepts that make up the bill; Lancashire County Council (including the Adult Social Care Precept), Wyre Borough Council, the Police and Crime Commissioner for Lancashire and the Lancashire Combined Fire Authority. In addition there may be changes in the parish amount, some which may show a large percentage change but which are for only small sums of money. Please note, as the bill shows % changes to 1 decimal place this can mean roundings lead to under/overstated figures.
