

<b>Report of:</b>	<b>Meeting</b>	<b>Date</b>
Clare James, Corporate Director Resources	Overview and Scrutiny Climate Change Sub-Committee	21 March 2024

<b>Overview and Scrutiny Climate Change Sub-Committee Work Programme 2023/24 – Update Report.</b>
---

**1. Purpose of report**

- 1.1 To update members on the Overview and Scrutiny Climate Change Sub-Committee Work Programme 2023/24.

**2. Recommendations**

- 2.1 That the sub-committee notes the report.
- 2.2 That the sub-committee consider suggestions for the 2024/25 work programme, attached at appendix 2.
- 2.3 That the sub-committee consider any policies or executive decisions regarding climate change impacts that they would like to review for the next municipal year

**3. Current and completed work**

**3.1 Electric Vehicle Charging Points in Wyre Task Group**

Members of the task group had their first meeting on Thursday 1 February, and at the time of report writing will have held a second meeting on Thursday 13 March, attended by representatives from Lancashire County Council to discuss the recently published Electric Vehicle Infrastructure Strategy.

**4. Work Programme**

- 4.1 The Overview and Scrutiny Climate Change Sub-Committee Work Programme for 2023/24 is attached at Appendix 1.
- 4.2 The draft Overview and Scrutiny Climate Change Sub-Committee Work Programme for 2024/25 is attached at Appendix 2.
