Additional Consultation Response

NATURAL ENGLAND

Further comments have been received from Natural England stating that 'the information we requested is still needed by Natural England to determine the significance of impacts on designated sites. Without this information Natural England may need to object to the proposal'.

Officer Response:

Further comments have been made by Natural England. These do not alter the accepted conclusions of the HRA screening carried out by GMEU and the adoption of these by the LPA to fulfil their duty as a competent authority.
