Non-members can attend the premises for private functions taking place in the function room and/or lounge area.

Any external areas will cease to be used at 22.00 daily.

4TH APRIL 2019.

Dear Sir or Madam,

We have been informed that Park Club Cleveleys has applied for a license to extend entertainment and drinking hours to seven days a week and to the early hours of the morning. This is a "RESIDENTIAL" area close to a very busy junction West Drive on Cleveleys Avenue where there have been many serious accidents.

There are families with young children opposite and adjacent to the club who would be annoyed if kept awake with the noise and the banging of car doors. The remaining population are elderly and have lived in the area for many years.

The highly rated properties in the area contribute to Wyre finances.

Yours faithfully

Dear Sir/Madam

Reference- Licensing application Park Club, West Drive, Cleveleys

With regards to the above and attached I wish to lodge my objection in the strongest terms.

I am a resident of Whiteside Way, approximately 150yards away from the Park Club.

I object for the following reasons:-

- **Noise**, The Park Club is located in a mainly residential area & as an example they hosted an event last night (6th April 19) and at 1am the music from the club was so loud that I could clearly hear it in my bedroom which has double glazing, I put the TV on to drown out the music but it could still be heard, there would appear to be no sound proofing in the building. I start work at 6am & get very little sleep when these events take place. However they are occasional & so are tolerated, but if the planned application goes ahead this will be a daily occurrence.
- **Anti Social Behaviour**, I served the Wyre for 26yrs as a Uniform Police Sergeant, retiring in 2016 and as such was responsible for undertaking licensing visits and dealing with the subsequent unruly drunken behaviour displayed in late night establishments and the surrounding areas on closure. Which has the knock on effect of increasing crime in

the area ie assaults & damage. This would require extra Policing (along with the two existing late night establishments) which would have a cost implication to yourselves as a council and residents as tax payers.

- **Location**, as stated above the Park Club is located in a mainly residential area, away from the town's amenities, therefore it is likely that revelers leaving the club will make their way through the residential streets towards the 'takeaways & taxi ranks located in the main town centre area, so increasing the opportunity for noise & anti social behaviour rather than being located in the town centre where they can be swiftly dispersed by the two taxi companies.
- **Necessity**, Cleveleys currently has two late night establishments that more than adequately cater for the needs of its residents, The Royal on the Promenade & Wetherspoons in the main town centre. Cleveleys is only a small town and does not need another licenced premises open from 9am to 2am seven days a week.

To conclude there would be no benefit to the local area in allowing this application, however there would be a huge negative impact on the living standards of the residents in the locality.

I implore you to reject this application

Thank you in anticipation of your assistance in this matter

Yours Sincerely

Dear Sir or Madam,

We are writing to express our
concern at the application for a premises
licence at the Park Club. The extension of
hours and activities would, we believe, have
a detrimental effect on a quiet neighbourhood,
in a residential area.

This move will result in
larger numbers of people on site, increased
traffic flow & disturbing noise from late
night revellers, & musical events.

From where we live these are significant
factors.

Yours sincerely,

**Representation against Application for a late-night Premises Licence at
The Park Club, West Drive, Cleveleys FY5 2BL**

Dear Sir / Madam,

It has come to our attention that the Park Club at West Drive Cleveleys has applied for a licence to remain open every night until 2am, to serve refreshments every night until 2am, to allow entertainment every night until 1am and to serve alcohol every night until 1am.

We wish to make a representation against this application because the late-night licence would cause a public nuisance and could lead to an increase in crime and disorder.

It would be a public nuisance because the area around the Park Club is a residential area. Like many other families, our home is close enough for us to be affected by loud music and noisy customers/members at the Park Club. We live diagonally across the road from the club. Last Saturday night we could hear music from the Park Club which was loud enough in some of our rooms for us to hear what songs were being played. We could even hear the audience singing along. Saturday night was perhaps a special event, and we understand that the club may occasionally wish to host a special event, but if loud music was played until 1am on a regular basis it would seriously affect our quality of life, especially in the summer when we might wish to leave a window open. Many other homes are close to the Park Club and would be similarly affected by loud music and by the noise of revellers in and around the club. It is reasonable to worry that people who are able to buy alcohol until 1am may not give too much thought to nearby residents trying to sleep.

We are also concerned about the potential for increased crime and disorder if the Park Club becomes 'the place to go' for late-night entertainment, refreshment and alcohol. A late-night licence would attract people who have left other drinking establishments that have closed at a more reasonable time. Local residents would not be able to sleep easy in our beds if we found ourselves living next door to a night club, with people (possibly the worse for drink) coming and going outside our homes until well after 2am.

In summary, our concern is that the club has applied for a licence to carry on until the early hours of the morning whenever they wish to do so, possibly every night. This would have a negative impact on the local area and the local residents, and we hope you will take account of this when you consider the application.

Yours faithfully,

Mr and Mrs J

Dear Sir /Madam,

Reference - Licensing application Park Club, West Drive, Cleveleys.

With regards to the above application we wish to make a representation.

We are family residents of Cleveleys Avenue and a direct neighbour to the Park Club.

We object to the application for the reasons of public nuisance noted below:

Noise - the building premises is old, erected in 1907 and appears to be lacking in design to contain modern levels of sound and vibration. This noise already has an impact on us with the current licensing hours despite us having triple glazing installed, whereby we currently have to close windows to minimise noise disruption on the occasions where events have been held. As these events have been occasional, this has been tolerated during our 32 years as residence in the direct vicinity. However, if this was to become more frequent through extension of hours, this situation would become intolerable and we are not aware that the club currently possess or intends to install any sound proofing or sound limiting devices. In addition, the Park Club advertises that it has parking for up to 70 cars and as parking is restricted on West Drive, the overspill of cars results in drivers frequently parking their vehicles on Cleveleys Avenue and Whiteside Way. As a consequence of the extended hours, visitors to the Park Club would be leaving the premises late into the early hours of the morning for example 2.00am and would cause additional traffic noise and the opening and closing of car doors. This was evident at an event held on 6th April 2019, whereby music could still be heard at 1.00am and the vehicles leaving after this time which also included several taxis which were waiting outside our property with their lights on engines continuously running. This a residential area and not a recognised taxi rank. Furthermore, the Park Club already has an exemption for caravans to be present on their land. This again would have an impact on the amount of available parking spaces. I attached a photo of evidence for an event held on the weekend of 08-10th March 2019.

P.T.O.

Prevention of Crime & Disorder - since the opening of Wetherspoons on Victoria Road, we have already been exposed to an increased level of litter in our garden and in front of our property in addition to being woken into the night by intoxicated individuals and groups walking past our property who have urinated on the garden walls and fences as well as thefts of property from our garden. Extended hours at the Park Club would be a significant cause for concern, as I fear this would further exacerbate the antisocial behaviour that we already experience, particularly if individuals and groups are travelling between venues late into the night.

In summary, there are no perceived benefits to the local area in approving this application; moreover I consider that for the reasons outlined above this would have a significant negative impact on the day to day lives of many local residents.

Yours Sincerely,

Cleveleys Avenue

RE: Application by The Park Club for A Premises Licence

14th April 2019

To whom it may concern;

We wish to object in the strongest terms to the above application. The Park Club faces our home, in a quiet residential area. On Saturday 6th April, the Club had an event on and the noise levels from the DJ/music were unbearable, going well after 1am. We have 2 young children who were unable to sleep due to the extensive noise levels. Not only was this an issue, but the car park was full and so the overspill of guests parked all the way around the perimeter of our property and the nearby homes. The disruption as people left the Club and got into their cars was disgraceful. Surely this is not acceptable as a regular occurrence. Also we were left with cans and rubbish thrown into our garden from the leaving party.

Our house, along with next door, are part of the Cleveleys Cottage Exhibition of 1906, part of the Cleveleys Heritage Walk and as such should not be facing a nightclub! Cleveleys has sufficient late night venues without creating one in a historical residential area.

We are already saddened by the 13 caravans which set up in the car park behind the club last month which appears to now be an ongoing problem. Surely planning permission should be sought for this also?

We are greatly concerned about the future of our neighbourhood and feel that this would jeopardise our families quality of life. We bought our home with the knowledge of it's wonderful history and the peaceful views opposite.

Please do not approve their application as doing so would be to the detriment of the current quiet residential environment.

Yours sincerely

To Whom It May Concern

We write to make a representation with regards to the recent application to amend the premises license at the Park Club, Cleveleys.

Our representation is to appeal the fact that the premises does not comply with one of the licensing objectives- prevention of nuisance.

Our representation is based on the following criteria:

1. Regulated entertainment until 1am Monday-Sunday. This would cause a noise pollution in a residential area. As a direct neighbour to the Park Club we are already disturbed by customers leaving the club, vehicles leaving the rear car park late at night and doors opening and closing throughout the night. At present, on the occasions that the Park Club has functions on, we can hear the loud music and this also disturbs our young children. Our concern is this will become later and more frequent. We already have to persevere with the current noise levels coming from the Park Club. We have installed new windows in our property and often have to close the windows to block out some of the noise.
2. The Park Club have applied to extend their sale of alcohol hours until 1am and opening hours until 2am, Monday-Sunday. This is not in line with any other premises in the local area. The Park Club could become the 'last stop' which would cause a nuisance in the area with a potential increase in alcohol related nuisance.
3. The Park Club often has groups of over 10 caravans pitched on their rear carpark, directly behind where we reside. If there was to be an extension to the hours that the Park Club can serve alcohol and have entertainment on, there will be an increase in noise until late in the evening/early morning, which will disturb our young children.
4. There would be an increase in the amount of pedestrian traffic and vehicle traffic at unsocial hours. As the access to their rear carpark is directly next to our property, we are already disturbed by any traffic that accesses the carpark. This would become more frequent and at more unsociable hours.

We hope you consider all of the points raised above. We feel strongly that an agreement to the extension to the licensing hours of the Park Club would have a negative impact on all of the local residents and would not bring any benefits to the local area. As a direct neighbour to the club, we believe that these changes will negatively impact us.

Yours sincerely
