

25. Alcohol Licensed Premises Gaming Machine Permits

- 25.1 There is provision in the Act for the licence holder of premises licensed to sell alcohol for consumption on the premises under the Licensing Act 2003, to be entitled, on notification and subject to the relevant fee, to provide two gaming machines, of categories C and/or D.

The automatic entitlement to have two such gaming machines ceases, when the holder of the premises licence gives up their interest in the licence.

Any subsequent holders of the premises licence are required to notify the Licensing Authority of their intention to make the gaming machines available for use and pay the prescribed fee.

The Licensing Authority may remove the automatic authorisation in respect of any particular premises where:

- The provision of such machines is not reasonably consistent with the pursuit of the licensing objectives; or
- Gaming has taken place on the premises that breaches a condition of Section 282 of the Act; or
- The premises are mainly used for gaming; or
- An offence under the Act has been committed on the premises.

- 25.2 Where a premises wishes to have more than two machines, it must apply for a Licensed Premises Gaming Machine Permit. The Licensing Authority must consider that application based upon the licensing objectives, any relevant guidance issued by the Gambling Commission and "such matters as it thinks relevant".

The Licensing Authority considers that "such matters" will be decided on a case by case basis, but primarily there will be regard to the need to protect children and vulnerable persons from harm or being exploited by gambling. It will expect the applicant to satisfy the Authority that there will be sufficient measures in place, to ensure that children under 18 years do not have access to the adult only gaming machines which must be operated in accordance with the Gambling Commission's Code of Practice.

- 25.3 Applications for permits for between two and four machines will ordinarily be granted by officers under delegated powers, unless the nominated Director considers that due to the circumstances in a particular case, the matter should be determined by the Licensing Committee.
- 25.4 Applications for five or more machines will be determined by the Licensing Committee
- 25.5 It is recognised that some alcohol licensed premises may apply for a premises licence for their non-alcohol licensed areas. In these circumstances applicants would have to apply for an Adult Entertainment Centre Premises Licence.
- 25.6 The Licensing Authority reserves the right to grant any application with a smaller number of machines and, or a different category of machines than applied for.

1 For club gaming permits, club machine permits and alcohol

This is the Commission's Code of Practice issued under section 24 of the Gambling Act 2005 (the Act) relating to provision of facilities for gaming machine gambling in accordance with club gaming, club machine and alcohol licensed premises permits. This includes:

 - in pubs in England and Wales: the designated premises supervisor (which the Licensing Act 2003 requires as a condition of any alcohol premises licence)
 - in premises which are licensed to serve alcohol for consumption on the premises under the relevant Scottish licence: the premises manager (which the Licensing (Scotland) Act 2005 requires as a condition of the premises licence), or,

Code provision 2.1

Location and operation of machines

All permit holders

- 1 All gaming machines situated on the premises must be located in a place within the premises so that their use can be supervised, either by staff whose duties include such supervision (including bar or floor staff) or by other means.
- 2 Permit holders must have in place arrangements for such supervision.
- 3 All gaming machines situated on the premises shall be located in a place that requires a customer who wishes to use any ATM made available on the premises to cease gambling at the gaming machines in order to do so. 'ATM' means a machine located on the premises, which enables a person using it to obtain cash by use of a credit or debit card.

3 Access to gambling by children and young persons

 - checking the age of those who appear underage

 - Permit holders should only accept identification which:
 - contains a photograph from which the individual can be identified
 - states the individual's date of birth
 - is valid
 - is legible and has no visible signs of tampering or reproduction.
- 3 The Commission considers acceptable forms of identification to include: any identification carrying the PASS logo (for example Citizencard or Validate); a driving licence (including provisional licence) with photocard; or a passport.

¹ Compliance with these provisions is a condition of the relevant permit as a result of the Gambling Act 2005: section 271 for Club Gaming Permits, section 273 for Club Machine Permits, section 282 for alcohol licensed premises using their automatic machine permissions and section 283 for licensed premises Gaming Machine Permits and alcohol licensed premises Gaming Machine Permits.

Code provision 3.2

4 Complaints and disputes

Compliance with this section is not a condition of your permit. However it sets out good practice in this area and the Commission considers it should be implemented by permit holders.

Code provision 4.1

Complaints and disputes

All permit holders

- 1 Permit holders should put into effect a written procedure for handling customer complaints and disputes regarding the use of gaming machines on their premises
